many Buildings Erected the Past Year.

During the past year building has been very sctive in Columbia, and the growth of the town has exceeded the expectations of ed in different portions of the town will come very near one hundred, and before the se of the year may exceed that number. On North Third street, between Chestnut and Poplar, twenty houses have been put up, counting the row of six houses at the corner of Third and Chestnut streets. A number of people are surprised at the many houses now in course of erection and are at a loss to know what is the same. Many lengths through building tion and are at a loss to know what is the cause. Many tenants, through building associations and other means, have become property owners and occupy homes of their own, but a great many buildings have been put up for the purpose of renting and they are occupied as soon as finished. The town is extended in the upper portion and Locust, Walnut and Chestnut street have been opened to Ninth street, and Ninth street is being graded beyond Locust.
