[illegible]-NINE CENTS A DAY.

[illegible]PROGRAMME OF THE P. & R. NOTICE OF A REDUCTION IN WAGES.

[illegible]oyes Allowed But One Pass in a Year, [illegible] Causes Much Dissatisfaction—Pennsylvania Car Movement for November.

The Presbyterian Elders Elected.

[illegible] Correspondence of INTELLIGENCER.

COLUMBIA, Dec 2.—The policy inaugurated by the new management of the Philadelphia & Reading railroad in making a general reduction in the wages of the employes has already had its influence in Columbia. The employes to get the reduction are the men employed as repairmen. The notices received by these workmen was to the effect that their wages have been reduced from thirteen to eleven cents per hour, and nine hours to constitute one day's work. By these reductions the men will now be paid ninety-nine cents per day, the change taking place on December 1st. The action of the management in regard to passes over the road, also created considerable dissatisfaction. The men will hereafter be allowed but one free pass during a year. The officials will be in Columbia in the near future, when it may be possible that other changes will be made.

The circulars state that all quarterly tickets are to be returned at once, as none of them are good after November 30, 1886; second that no employe will be allowed to ride free after November 30; third, that no employe will hereafter be allowed to live at a distance from his place of work, except by special permission from the head of his department or advision superintendent; fourth, when such special permission is given a special rate season ticket covering the necessary daily travel of each employe may be obtained under regulations issued by the general passenger and ticket agent; fifth, the special rate will be one-half that of the regular season ticket, good only between the places of residence and work; sixth, in case an employe leaves his place of work, his ticket must be returned to the office and will be redeemed.

Car Movement.

The employes of the Pennsylvania railroad during the month of November handled the following number of cars:

EASTWARD.

Number of trains	1,510
Loaded cars	44,439
Empty cars	1,572
Total	45,909

WESTWARD.

Number of trains	694
Loaded cars	11,775
Empty cars	31,999
Total	43,774
Grand total	89,734

Decrease from October, 1886, of 2,566 cars, and a decrease from November, 1885, of 2,196 cars.

Heise and the resignations of Dr. F. Hinkle and N. Pheneger.
