The Fortified Bell

The New York Herald makes up a summary of the facts in the telephone controversy which reveals the remarkable way in which the Bell telephone company has been prepared for by chance or cunning.

When will wonders cease? The Wisconsin Central railroad has abolished the system of tipping on its parlor, dining and sleeping cars.

For the first time since the election of 1884, the Federal judges in Massachusetts have already passed upon the validity of the Bell patent.

We do not find anything in the criticism of the Massachusetts Record upon our view of the case of the Bell patent.

That remarkable congressman, the product of New York city, who was elected as the candidate of all the organizations of the Democratic and Republican parties.

The foresight which secured, in a collusive suit, a verdict in Boston for the American Bell Telephone company.

Some Women in England. That Campbell divorce case in England is not turning out so badly for the nobility as for the community.

been wonderfully abused. But if she had been the good woman she claims to be she would never have taken the world into her confidence and blazoned her lack of modesty through all its aisles.

But perhaps men will never comprehend women, who never behave so oddly to the masculine understanding as when they appear in court.

Wilson's story is doubted, for the very reason that the woman he claimed as his mother died before he was born.

The disaster to the Westernland was the result of a strange combination of events. Two immense waves rushed together in mid-ocean by the shock of the collision.

But perhaps men will never comprehend women, who never behave so oddly to the masculine understanding as when they appear in court.
