Lewistown Special to the Pittsburg Post

romantic cases in the history of Pennsylvania jurisprudence has just been determined finally in the court here, Judge Bucher having handed down an opinion in the case of Wor rall vs. Balley. The case is one of pecultar local interest as well as much general interest by reacon of its many strange features and disclosing, as it does, a deep purpose on the part of the defendant to acquire unlawful possession of a goodly inheritance devised to a foster brother, and in turn devised by him

to her in a certain contingency which, how-ever, did not arise. But the history of the case, which in itself is a romance, is as fol-In 1877, Dr. Worrall, a prominent physi-In 1877, Dr. Worrall, a prominent physi-clan of this piace died, leaving to his only son, Clarence, real estate here and in Phila-delphia worth \$70,000, and to Miss Mamie Bailey, a domestic, raised and educated in his family, a bequest of \$5,000 for services rendered. Clarence was then in very pre-carious health, and strongly tainted with in-sanity inherited from his dead mother. He was of a drawny poetical temperament, and displayed striking results in painting.
