> A Citizens Ticket Proposed for the Fifth Ward There is some trouble among the Republicans of the Fifth ward relative to the ward ticket settled a few days since, and a move-ment is on foot to nominate a "citizens ticket" to be voted for on Tuesday next. The movement is not yet fully developed, but as will be seen by advertisement in another column, a meeting of "many taxpayers" will be held this evening at the Green Tree hotel, West King street, where their grievances will be set forth, and perhaps a ticket nominated.

A New Process for Making Steel. Louisville, Ky., Courier-Journal mase of one of its staff of a new process for cardening and tempering steel. A drill made of steel penetrated in forty minutes a steel safe plate warranted to resist any burder drill for twelve hours. A penknife sempered by the process cut the stem of a steel key readily and with the same blade the inventer shaved the hairs from on his sm. A number of other interesting and successful tests were made. The inventor is a young blacksmith who has been experimentaling with the process for years and who calms that this tempering is done without expense or skilled labor. He has also a new process for converting iron into steel at smell expense. He claims to be able to make steel plates so elastic and hard as to turn a sall first from the heaviest gun ever constructed. The invention is a secret, not having been patented, and a company has been incorporated to push it, with Charles Godhaw, as general manager. It is intended to the discovery and sak for inclifities to test the steel made by the process. nes of one of its staff of a new proce

TROUGERS. Thousens Yesterday we advertised the best \$5 Pantaloons ever offered TROUGERS -best in material. To-day we say as strongly

TROUSERS best on the inside. Showy outside is common TROUGERS enough in Pantaloons; every manufacturer looks after that TROUBERS it's the cover many a time for inferior work and stuff under TROUSERS underneath.

These 'Pantaloons are the best inside and out, and better in certain directions than have TROUSERS ever been produced in a clothing store.

The improvements ar under the surface. Come in TROUSERS and we'll show you sample pairs with the outside cover-TROUSERS ing left off. \$5.00 A PAIR.

Shoes and Gaiters Have You Seen Them? H. GERHART,

Well, we will take it for granted that you have seen a lew styles of our New

SPRING GOODS

North Queen Street Window.

But if you have not visited our store, we invite you to make a thorough inspection of our goods before purchasing elsewhers.
These goods are juite popular aircady. They are dressy, comfortable in weight; they suit most of the cool weather and along stretch of the Spring. At any rate we are making a great

SUITS AND PANTS

And the most of them from these goods. You cannot see such a bountiful variety of styles anywhere as here.

It's a tip-top time to buy now, as you can de a little better in price than you suppose. EVERY ONE WHO LOOKS AT OUR

\$4.50, \$5, \$6 and \$7 Pantaloon Goods.

HAS A GOOD WORD TO SAY FOR THEM.

The quality of these is not such as might be used as a bait to customers wanting a low price, but is really the lesst american Casalmeres. When these goods are gone you will not get the same quality at present prices in a hurry. Set them? Don't buy unless they are so much better that you can pass by your tailor with a light heart and some dollars saved.
