B. Frank Esbelman, counsel for Fred Waltz, stated to the court this morning that in his argument on Friday of the petition for Mr. Waltz he stated that the license of Mr. Zoriman, of the Pennsylvania railroad hotel, would be allowed to lapse. He made that statement on what he believed to be good athority and as he learned that the statement made in the argument was not true, he desired to make public the correction, as he had made the mis-statement.

Argument on the applications of John W. Brubaker, 6th ward, city, and J. A. Getz, Akron, for tavern licenses, was continued. The application of J. W. Reilly, sixth ward, against which remonstrances were filed, was argued. The restaurant in dispute is on the fair grounds, and twenty-nine remonstrances were filed against the granting of the license. They were gotten up under the auspices of the Women's Christian Temperance Union, and contained the signatures of several hun, and contained the signatures of several hun. and contained the signatures of several hun dred ladies and gentlemen from all sections of the county. J. Hay Brown, counsel for the applicant, raised the question that the re-monstrances were not filed according to law, only one having been sworn to, and that was too late. The court sustained the objection and that left the petition to be argued the

Judge Livingston asked counsel for the petitioner why it was that a meal could not be procured in the restaurant building during fair week. Counsel replied that the building likely to remain for some time i the present cold spell continue films the water and ice on the rold was very much crowded and that arrange ments were made for meals in booths outsic the building. The court intimated that the proper way, was to have space in the building where meals could be procured, and counsel said necessary measures would be taken to carry out the views of the court, if a ficense

was granted.
It looked for a time as if the court would refuse the license because the necessary ac-commodations had not been furnished in the past, but Mr. Brown's earnest plea for a license, on the ground of its necessity during fair week, and his unqualified promise to the court that a room would be provided where meals would be furnished, finally convinced the court to take favorable action on

PROCLAMATION.

The Qualified voters of the City of Lancaster to vote on the question of increasing the indebted-ness of said city \$125,000.

whereas the Select and Common Councils of the city of Lancaster resolved at a regular meeting held on January 5, A. D., 18%, that it is their desire to increase the indebtedness of the city of Lancaster to an amount not to exceed \$125,000, for the purpose of building sewers for draining the northern part of the city, and necessary change or improvement of the water works; and

Whereas, the indebtedness of the said city cannot be so increased without the assent of the electors thereof, had and obtained in the manner provided by the Act of Assembly of April 20, 1874.

1, William A. Morton, Mayor of the said city of Lancaster, hereby give notice, in accordance with the said Act of Assembly of April 20, 1874, that at the next municipal election, to be held in the city of Lancaster on the 15th day of February, A. D., 1887, the question of increasing the indebtedness of the city of Lancaster to an amount not to exceed \$125,000 will be submitted to the qualined electors of the said city for their decisions, who can then vote for or against the said increase.

The assessed value of the taxable property of

decisions, who can then vote for or against the axid increase.

The assessed value of the taxable property of the city of Lancaster, according to the lest assessed valuation thereof, is \$12,60,00), the existing debt of the city is \$60,23,50, the amount of the proposed increase is not to exceed \$125,00, which amount is about 1 per centum of the assessed valuation of the taxable property of the said city; the purposes for which the said indebtedness is to be increased are for the building of sewers for draining the northern part of the city and necessary change or improvement of the water works.

Given under my hand at the city of Lancaster this 14th day of January, A. D. 187,
