

BARRELS MADE FROM PAPER PULP.

The invention of the paper barrel has been given rise to the serious question of how to produce barrels for oil, kerosene and similar substances which will meet the demands of the market. The question has at different times during the last twenty years led to various attempts to produce a barrel which would answer all the purposes for which the wooden barrel is used. The chemists, however, have been unable to produce a barrel which would answer all the purposes for which the wooden barrel is used. The chemists, however, have been unable to produce a barrel which would answer all the purposes for which the wooden barrel is used.

Hood's Sarsaparilla.
Out of the Fire.
Tormented with skin rheum—Cured by Hood's Sarsaparilla.
Only those who have suffered from skin rheum, the worst form, can know the agonies caused by this dreadful disease. Hood's Sarsaparilla has had remarkable success in curing skin rheum, as well as all affections of the blood. The man that one would wish to see from a burning building, is one who has been cured of skin rheum, and had to leave of work and suffering. My hands and feet were swollen and scabbed, my face was covered with pimples, and my fingers as large as a pea. One physician called it TYPHOID.

Hood's Sarsaparilla
Sold by all Druggists, 111 1/2 St. Prepared only by C. A. Hood & Co., Apothecaries, Lowell, Mass.

ONE OF OUR LETTERS
In 1864 he had rather be a Soldier than President of the United States.

Representative Collins, of Quincy, Ill., has a letter written by General Grant to Mr. Morris, who for many years represented the Quincy district in Congress, in reply to a letter telling Gen. Grant that he could be nominated for the presidency if he so desired. The letter reads:

Myers & Rathfon,
Our Cut in Prices
has had the desired effect. Greatly increased sales in the past two weeks have reduced our stock considerably. Too much stock yet—too many Heavy-weight Goods to carry over. It will pay you to buy now, even if you don't stand in need of them until next winter. Such bargains will pay to keep. It's as good an investment as anyone can make. Don't be backward about coming to examine these bargains. We can prove to you that actual reductions have been made.
