A flight Fire. This morning at ten minutes past 5 o'clock there was a slight fire at the residence of Jefferson Stiffel, No. 22 Jefferson alley, that Jefferson Stillet, No. 22 Jenerson aley, tas for a short time caused great excitement in the family. Mr. Stiffel has got out of bed early and kindled a fire in the kitchen stove with hemlock kindling and then left the room. Mrs. Stiffel was upstairs in bed with her two children. She smelled smoke, and hurrying down stairs discovered that the wash which had been left on the line over night was all in a blaze and that pieces of it had fallen to the floor and burnt the carpet. She called for help and Mr. Stiffel was soon on hand and the fire extinguished without calling on the fire department. The loss is not more than \$40, and there is an insurance of \$400 in the Continental Insurance company, Shenk & Bausman agents. It is suppose a spark from the spattering hemlock kindling flow from the stove and set fire to the clothing on the wash line. ALDERMAN SPURNIEL'S COURT.

Some time Wednesday night thieves broke into the bar room of Frank A. Rieker, who keeps a saloon on Columbia avenue. They pried open one of the windows on the east ide of the house. They carried off several bottles of whisky, two hams and a keg of fish. No money was stolen. When a reporter of this paper called at the saloon this morning the bartender would not give any information concerning the burglary. He referred the scribe to Mr. Ricker who denied hat anything had occurred. All the same the entrance into the hours was made, but Mr. Ricker and his employes did not seem to want the newspapers to know anything about it.

Special Correspondence of INTELLIGENCES. MANNEIM, Feb. 17.-The Keystone National bank commenced business yester-day with Mr. F. K. Brosey cashier, and Mr. W. A. Litzanbarger president. The bank

starts under favorable suspices, and it is con-fidently asserted that the second bank in the borough will not interfere with the business done by the Manheim National. J. L. Steinmetz, esq., is attorney for the new or-ganization. Mr. H. C. Boyd has received his commission as notary public from Gov. Beaver, and will transact the business of the new bank failing within the province of that official, together with whatever general pusi-ness of the office which may fail to his share There are now three notaries in this borough.

One of the large panes of glass in the dining room window of the Reformed parsonage. occupied by Rev. W. J. Johnson, was shot into yesterday morning by some unknown person. There has been considerable shooting on the streets and at other places in this

borough lately. A large bullet was found by the pastor flattened on one side, which no doubt did the damage. The glass in the window is of more than ordinary thickness so that the bullet did not pass through, but splintered the glass into hundreds of small fragments. The fire-arm used must no doubt have been fired at some distance from the house, and had partly spent its force before it struck the window. The flattened bullet is being preserved. It is thought the

matter was accidental, as no motive for the act can be assigned. Mr. Henry Mohn returned yesterday from comerest county with a carload of fine horses,

Indications are that the entertainment will be largely sttended, and there is no doubt but that inder the efficient management of the principal of the public schools, Prof. W. Reiff Nau-

yesterday morning, and was very largely attended. Services were held in the U.B. church. The funeral of Mrs. Simon S. Young, wife

of Postmaster Young, will take place to-morow. Deceased was an invalid for the pas five and one-half years, suffering greatly from rheumatism. The pain she endured at times was intense, and she suffered espe-cially several days preceding her death, which occurred on Tuesday afternoon at 3

o'clock. She was an estimable lady and had a large circle of friends. She bore her suffering with Christian fortitude, and awaited the time of death with Christian resignation and hope. Deceased was 61 years old. The postmaster has the sympathy of the entire community in this hour of affliction.

Wilson and the whole community in the deep sorrow felt on account of the sudden death of one so universally respected and loved. As a cilizen, the deceased was widely known for his liberal views, his progressive spirit, and his lively interest in everything that be deemed calculated to promote the public good; when in charge of a public trust or a private respon-sibility, he was ever clear in judgment, honest in purpose and acalous in the discharge of

duty. In the profession of which the deceased was an honored member, he was characterized by his broad views, his clear perception of the truth, his faithfulness to the interests of his clients and his courtesy to his fellow members of the Bar. Practicing in the Lancaster courts for more than twenty years, he had no enemies. William A. Wilson was one of the esrliest

members of the Tucquan club, and was seldom if ever absent from its encampments or its meet-ings. No member was more loved. No member would be more missed.
