Never Open Your Mouth
except to put something to eat into it, is an excellent motto for the gossip and the sufferer from catarrh. But while the gossip is practically incurable, there is no excuse for anyone's suffering longer from catarrh. Dr. Sage's Catarrh Remedy is an unfalling cure for that offensive disease. It heals the diseased membrane, and removes the dull and decreased sensations which always attend catarrh. A short trial of this valuable preparation will make the sufferer feel like a new being.

PLEURISY CURED. Kingston, Ontablo, December 7, 1885, Sixyears ago I caught a severe cold standing in anice house with my coat off. I felt myself getting chilly and went to the house, where I shook for half an hour and then had high fever and terrible pain in my side and through my lungs. I put an Allcock's Porous Plaster on my back and one on the front of my chest, and in a short time the pain decreased and I fell asleep, and did not wake until the next morning, when I was sgain quite as well as eyer. In telling my doctor about it he said I had been attacked with pleurisy and possibly, pneumonia E. E. DUDLEY.

The National Credit is No More solidly founded than the reputation of Benson', Capcine Plasters. They are known, appreciated and used everywhere in America -its hospitals and its homes. Physicians, pharmacists and druggists affirm that for promptness of action, certainty and range of curative qualities they are beyond comparison. Once used, their naequaled excellence recommends them. The pub ile are again cautioned against the cheap, worth-less and shameless imitations effered by menda-cious parties under the guise of similar-sounding names, such as "Capsicin," "Capsicum," "Ca pucin," "Capsicine," etc. Ask for Benson's buy of respectable druggists only, and make a personal examination.
