BOUGHT THE LICENSE IN MARYLAND. A Cluses of That Blate Who Had Trouble I

Marrying a Pouncytoanta Belle.

From the Elkton (Md.) Democrat.

There is no reason to doubt that Joseph Hines, of Charlestown, will be just as happy in the long run of the hereafter as if he had had no unnecessary bother about the matter of his wedding pretty Sallie Lynch, of Little Britain township, in our neighboring county of Lancaster, on Thursday avening of last week. Newstheless it to evening of last week. Nevertheless, it is well that future claimants of the hand well that future claimants of the hand that plights troth should be happy without the versation that his mistake caused. Joseph supposed that inasmuch as he was a resident of Carl county, the proper piace to get a license to wed the women whom he loved, was Eikton. Accordingly, he came to Eikton and here he secured the proper permission to do as every man ought to do in similar circumstances. He got his "license" and hied himself to the home of his loved one and there, in all confidence, presented it to the preacher as his authority to make two hearts one. What was his amazement to be confronted at that nervous hour by the cool and unfeeling retort of the man of the gospel with the notice that the license only entitled him to get married in Maryland? What must he do? He couldn't go to Lancaster, neither send there in that awful night over and through these bottomies roads. No, he chose the better part and took his loving mate across the line to Rock Springs. The distance was six miles and the roads were those of the winter of 1887. But the brave deserved the fair and the parson deserves his fee. May it be realized that each and all had good reason to demonstrate how clear they were in the faith, and may none have subsequent cause to regret the pains they took to retrieve their first mirtake.

W. J. Latta for Inter-Sute Commissioner. The name of William J. Latta, who for a number of years has been the general agent of the Pennsylvania railroad at Philadelphia but recently transferred to Jersey City, will no doubt be presented to the president for appointment on the inter-state commission. If he is appointed William B. Wilson, formerly freight agent of the P. R. R. at this city, is talked of as his successor.

There is, however, a benign specific for the discusse and all its unpleasant manifostations. It is the concurrent fastimony of the public and the medical profession, that Hostetter's Stomach Bitters is a medicine which achieves results speedily feit, thorough and benign. and consequently incurable. It is impossible to describe her sufferings. Her body from the crown of her head to the soles of her feet was a mass of decay, masses of flesh rotting off and leaving great cavities. Her ingers feetered and and three or four nails dropped off at one time her limbs contracted by the fearful ulceration, and for several years are did not leave her bed. Her weight was reduced from 15 to 60 Ss. Perhaps some faint idea of her condition can be giesned from the fact that three pounds of Cosmoline or cintiment were used per weekin dressing her sores. Finally the physicians schnowings her sores. Finally the physicians schnowings her here for the fail wise Creator.

Her husband hearing wonderful reports of the use of Swirr's Spacific (8, S. S.), prevailed on her to try it as a last recort. She began its use under protest, but soon found that her system was being relieved of the poison, as theogra assumed a red and healthy color, as though the blood was becoming pure and active. Mrs. Bailey continued the S. S. until last February; overy sore was healed; she discarded chair and crutches, and was for the first time in 19 years a well woman. Her husband, Mr. C. A. Balley, is in business at 175 Blackstone Street, Boston, and will take pleasure in giving the details of this wonderful cure. Send to us for Treathee on Blood and Skin Diseases, mailed free.
