### SNOWDROPS.

In snowdrops well I ween,
A loving cup is seen,
A pledge betwixt soft spring
And the frost-bearded king;
For see! the chalice shows
White as the winter's snows,
Save, here, brim-stains of green;
'Tis plain what these should mean—
So many times the lip
Of spring did touch and sip.
—*Edith M. Thomas, in the*

### SOCIETY AND ITS FANCIES.

White wolf skins are in demand for rugs in the boudoir.

Painting on lace has superseded plaque painting in many places.

A society to assist servants to collect their wages is proposed in Gotham.

The divided skirt is actually receiving attention in fashionable society.

In most polite society, says a Boston paper, the Italian style of penmanship is indispensable.

Models of the new Parisian bonnet have arrived and are pronounced by feminine critics "lovely."

Surprises in sunshades are promised. Those that are already exhibited look something like last season's done over again.

All the new spring models have the effect of being "made-over" costumes, as they are composed of two distinct fabrics.

Geneva point is a lace which will be much used the coming season on washable dresses, as it is very durable and at the same time attractive.

### A Plea For the Little Ones.

From the Philadelphia Ledger.

It would be hard lines if the unoffending little children who play about in the public squares on their roller skates are to be deprived of their harmless diversion because a lot of half-grown hobbledehoys or hoodlums abuse their privilege and annoy pedestrians in the squares. Wait a few weeks, Mr. Dixey, until Mr. Stokley's chief of police gets into command, and he will find a way (without a new ordinance) to protect both the children in their amusement and pedestrians in their rights and convenience. He'll keep the rougher spirits in order.

And this other word may not be amiss. Some folks are entirely too critical when they encounter boys at play. Which would they rather have—some noise and occasional annoyance from the boys on their roller skates in the open air, or have the boys driven to worse pastime somewhere else? Let us not be too censorious with these youngsters.

### A Scene in a Georgia Court.

From the Crawfordville Democrat.

While court was in session last week it was noticed that Col. Mitchell would very often go to a small satchel, in which he had some specially selected law books, and make references. Several of his visiting attorneys noticed this, and while he was waxing warm in presenting his argument to the jury they filled his satchel with four or five empty bottles, and when the colonel turned to make his accustomed reference, opening his satchel, the bottles were exposed.

Judge Lumpkin notified the colonel that he need not hope to control the court with such argument as was then shinningly exposed upon the table fronting the court.

### Disorders Which Affect the Kidneys

Are among the most formidable known. Diabetes, Bright's Disease, Gravel, and other complaints of the urinary organs, are not ordinarily cured in severe cases, but they may be averted by timely medication. A useful stimulation of the urinary glands has ever been found in Hostetter's Stomach Bitters, a medicine which not only affords the requisite stimulus when they become inactive, but increases their vigor and secretive power. By increasing the activity of the kidneys and bladder, this medicine has the additional effect of expelling from the blood impurities which it is the peculiar office of these organs to eliminate and pass off. The Bitters is also a purifier and strengthener of the bowels, an invigorant of the stomach, and a matchless remedy for biliousness and fever and ague. It counteracts a tendency to premature decay, and sustains and comforts the aged and infirm.

"Othello's occupation's gone." He used to spend days and nights cursing the fates and the rheumatism. Now he only lies down and laughs to think how easily he was cured by Salvation Oil at 25 cents.

Wm. H. Vanderford, esq., editor of the *Democratic Advocate*, Westminster, Md., writes that he has used Dr. Bull's Cough Syrup and knows it to be a good medicine. Buy it. Try it. 25cts.

### A Fragrant Breath and Pearly Teeth

Are easily attained, and those who fail to avail themselves of the means, should not complain, when accused of gross neglect. SOZODONT will speedily eradicate the cause of a foul breath, beautifying and preserving the teeth to the oldest age.

### MEDICAL.

HOOD'S SARSAPARILLA.

## Prepare for Spring

It is none too early to be getting ready for spring, and the first thing which should receive attention is your own system. If you have not been well during the winter, have been troubled with scrofula, salt rheum, or other humors of the blood, you should purify the blood by taking Hood's Sarsaparilla. Do not put off taking a reliable medicine, but now take

HOOD'S SARSAPARILLA

"My wife had very poor health for a long time suffering from indigestion, poor appetite and constant headache. She tried everything we could hear of, but found no relief till she tried Hood's Sarsaparilla. She is now taking the third bottle, and never felt better in her life. We feel it our duty to recommend it to every one we know." Geo. Somerville, Moreland, Cook Co., Ill.

PURIFIES THE BLOOD.

"Seven years ago, while my little boy was playing in the yard, he was bitten by a spider. The poison entered his blood, and sores soon broke out about his body; they itched terribly and caused him intense suffering. Several times we succeeded in healing the sores up, but in spite of all we could do they would break out again. Finally we tried Hood's Sarsaparilla, and he took one bottle and one thirp of another, when the sores disappeared. He has not a sore spot on him now, and I consider him perfectly cured." Wm. H. H. Ward, Downington, Penn.

TIRED OUT!

At this season nearly every one needs to use some sort of tonic. IRON enters into almost every physician's prescription for those who need building up.

Physicians and Druggists Recommend

## BROWN'S IRON BITTERS!

AS THE BEST TONIC.

For Weakness, Lassitude, Lack of Energy, Etc., it HAS NO EQUAL, and is the only iron medicine that is not injurious. It Enriches the Blood, Invigorates the System, Restores Appetite, Aids Digestion. It does not blacken or injure the teeth, cause headache or produce constipation—as other medicines do.

Dr. G. R. Bewley, a leading physician of Springfield, Ohio, says: "Brown's Iron Bitters is a thoroughly good medicine. I use it in my practice, and find its action excels all other forms of iron. In weakness, or a low condition of the system, Brown's Iron Bitters is usually a positive necessity. It is all that is claimed for it.

Dr. W. N. Warren, 1319 Thirty-second Street, Georgetown, D. C., says: "Brown's Iron Bitters is the Tonic of the age. Nothing better. It creates appetite, gives strength and improves digestion."

The Genuine has Trade Mark and crossed red lines on wrapper. Take no other. Made only by BROWN CHEMICAL CO., Baltimore, Md.
