

$\qquad$

 broad ground of public policy, as being an
agreement in restraint of trade. In this
free field he had many grailable weapons free feld he had many available weapons
which he used with much skill. Much of
the unfavorable impression that was evoked by the attorney general's assent to
the Philadelphia magistrates' bill will be
removed by his courageous action in this
$\qquad$ aumers of anthracite coal, and it is high
time that a quietus ahould be put upon
this corporate greed. Forelgn Ald Not Needed. Creusot, France, are backing the Bethle
hem iron works in their government con tract for armor, plate and guns, and that
machinery and workmen are to be transarture at Bethlehem of ordnance and armor in at the great French eatabliohment.
This atory is probably founded on a very
