"Zo Zo" Saturday Night.—One of the finest spectacular plays on the road is that of "Zo Zo," which will be seen here on Saturday evening for the first time, by C. R. Gardiner's company. The principal lady is Miss Bianche Curtisse, who by the way is one of the handsomest women on the American stage. She is only eighteen years of age, and is a graduate of Vassar college. The principal gentleman in the company is George H. Adams, who was last seen in Lancaster as a clown. He has made a great hit in his new line, and is the life of the play. The company carries a great many women, who car load of elegant scenery and properties. The play has been a wonderful success everywhere, and has had long runs in the large cities. The Troy (N.Y.) Telegram says: "The company has been largely augmented by a corps of compe-tent artists, and on this occasion the new Queen will be Bianche Curtisse, recently a Vassar student who, save Adelina Patti, is said to be the only star that ever filled the Grandopera house, San Francisco, in every part, including its twenty-six boxes. Special features are scent effects, pageantry, military parade of the Que Guards, and a complicated transformation s illuminated with brilliant calcium lights."
