police force. To expect four men to guard a pisce of the extent of Altoons during the night is ridiculous. Men Like That in This Town. There is an economical man in Norristown, Pa, who drives five miles around to avoid a toll gate and the payment of five cents and spends filty cents for a drink at the next hotel.

\$1,300 For a Silk Factory. celpts of the evening performance for money due him. It appeared that Holland was in Twenty-three hundred doilars has been subscribed in Lansdale, Montgomery county, toward a silk manufactory to be located there Columbia about a week ago, and being in hard luck was unable to pay Crothers a bal-ance of between \$7 and \$8 for bill posting, do. by Philadelphians.

Broke Her Leg. On Saturday morning Mrs. Brubaker, of Ephrata, aged about 65 years, while stepping away from a butcher wagon, fell and bruke the small bone of her leg near the ankie.

A Long Jump. Milton Nobles, who plays "The Phoenix," what was wrong he raved and stormed for a time. He said that he had been in hard luck here this evening, jumped all the way from Lawrence, Mass, to Lancaster. He arrived for some time, and it seemed that everything was going against him, and everybody was trying to "do him up" because he was unere at 2 o'clock this afternoon.

A CHAMPAGNE VINETARD.

A OHAMFAGNE VINETARD. Very tew people, even among those who ap precise the quality and fineness of the genuine French Champagne wines, have a correct idea of the extreme care and solicitude with which the vineyards are kept in the district of Champagne, which undoubtedly is one of the richest and best cultivated parts of the world. One of our triends intely returned from France gives the vineyards are report on the state of Messar, Boncha The Columbia man was a matter-of-fact sort of a fellow, and thought that men without noney should not take shows on the road. The matter was finally compromised by Holiand paying the amount of the bill and half the costs and Crothers the other half. remarkable piece of property named "Les goisses," which can be shown to any foreigner traveling through France, as an illustration of This morning the company went the same road that many have gone before. High railroad fares, bad business, &c., were too much for them and Manager Holland conthe ideal accomplishment of a Champagne vine-yard. "Stuated on a hilislope," says our friend, "with the beams of the sun freely lavishing from dawa to sunset their beneficial warmth sluded to disband. Yesterday he sent his wife away on an eastern bound train and several others of the party left at different times. The company stopped at the Grape hotel where two men, a lady and little girl, on i', this vineyard seems to cumulate all the qualities required for the production of per-fect grapes. Its surface soil gives the fruit the fineness and bouquet, while the heat of the sun is counterbalanced by the freshess constantly four jubilee singers, and two dogs yet remain. Holland had no money to pay salaries but told the members of the company that he drawn up from the lower ground by a network of roots, which spread themselves in a bed of chalk." There is a great deal of this product in would send it to them from New York. One of the colored singers managed to get a watch out of him. Holiand paid the greater part the Bouche Sec Champagne, which explains its peculiar fineness and aroms so much renowned of the hotel buil for the members of the comamong the connoisseurs; but amateurs destrous of obtaining the wine coming from the "Gois ses " estate only would have to ask tor the Boupany. He tried to get out of town on the S o'clock train this morning without paying cierks of the Grape hotel, followed him and
