PURE RYE WHISKY.

Old Groff Spring Distillery.

Situated on East Orange strest, between Orange and Cheatnut, one square east of reservoir, Lancaster, F.

I have just erected a new distillery with all of the latest improved machinery for distilling PURE BYE WHISKY.

A. B. SHEAFFER, Proprietor.

This Distillery has been erected at the famous old Groffstown Spring, which has been no edfor its plenteous and untailing supply of the purcest water. At it our grandfathers drank when they were boys, and it has never been known to run dry even in the hottest weather. From this spring all the water used in the distillery is obtained, the pump drawing from ittwenty-dve galons a minute.

Besides my own distilled Whisky, I also handle

Brandies, Gins, Wines, &c. Call and be convinced.
