From the Youth's Companion.

Many stories are in circulation illustrating the stinginess of a certain farm.

He one day went into a store to buy six feet of rope, and the dealer, knowing his pecultar love of money, told him he might have

"I'll give you 5"
"I can't sell for that. Why, man, you've got plenty of money and ought not to grumble." "Yee, but times are powerful hard. Can't stand that price." He went away, and after remaining about two hours came back to sak : "That rope fell any?" "No."

"Good-bys."

The next day he entered the store and said: "I hear that rope is fallin' all over the country,"

"That so?"

"Yes. Hear that over at Cotton Town ye can get ten feet fer a nickel."

"Why don't you go over there?"

"Don't want to wear out my shoes. Say, has it fell any here?"

"Not a bit."

"Wal, good bye."

Two days later he came back.

"Say," he said, "hain't you got some old rope you can sell cheap?"

"No old rope."

"Now rope ain't fell none yet?"

The dealer, worn out by the stegs, offered him the required quantity for 5 cents. The old man carefully measured it, and said, with a disappointed sir: "Its three inches short. Can't you knock off something?"

"Yes; give me 4 cents."

"Say 3"

"Well, 3."

Giris all have a kind of secret code. girl. She invites you to call. You call. She circle discusses you, calmly apportions you to three or four ; they gradually reduce them to three or four; they gradually reduce them-selves to one. Then you're lost. She wearies of you and you get kicked out of the circle. Well, all of those girls have discussed every one of your young men friends the same way. That is what a cynical girl told me. I don't know of my own knowledge. But talk of trades unlons and Knights of Labor! Their organizations dwindle into absolute crude-ness when compared with the United Order of Marriagnable Girls. of Marriageable Girls. The " Neighborhood Darner.

A new trade for woman is that of "neighborhood darner." The woman who follows t has for her customers a dozen or twenty useholds, each of which she visits weekly and spends a few hours in doing up the family darning and mending, including rip-ping and cleansing of old gowns. Her en-gagements are systematized, and she never lacks work. Some of these menders make a specialty of repairing lace and other delicate fabrics. The pay is fairly good, and the professional mender is a great blessing to busy housekeepers with large families.

Slight exposure, an occasional draught, will beget this painful malady, where there is a predisposition to it in the 16ood. It is not difficult to arrest the trouble at the outset, but well nigh impossible to eradicate it when matured. No evidence in relation to this superb blood depurent is more positive than that which establishes its efficacy as a preventive and remedy for rheumatism. TOOD'S SARSAPARILLA

#### SPRING MEDICINE

Is a necessity with nearly everyone. This is the best time of year is which to purify the blood, to restore the lost appetite, and to build up the system, as the body is now especially susceptible to benefit from modicine. The peculiar medicinal merit of, and the wonderful cures by Hood's Barsatarilla have made it the most popular apring modicine. It cures sorofule, ant rhoun, and all humors, bilicusness, dyspeptis, headache, hidney and liver complaints, catarra and all affections caused or promoted by low state of the system or impure blood. Don't put it off, but take Hood's Barsaparilla now. Hood's Sarsaparilla

"We have found Hood's Baresparille to be an excellent blood purifier. In one case in particular, where other medicines falled, it took only three bottles of Hood's Sarasparilla to produce the desired effect." Sigram A. France, St. Anne's Asylum, St. Louis, Mo. anne's asylum, St. Louis, Mo.

"I have been subject to severe headsches, and have had a humor on my face. Hood's Sarasparilla has done me semmen good that I am almost entirely free from headsche, and the humor has disappeared." Walter Gelenar, Islington, Norfolk County, Mass.

A fair, honest trial of Hood's Samaparilla will convince any reaconable person that the pseuliar preparation does possess great medicinal mort. We do not claim that every bottle will accomplish a miracle, but we do mow that searly every bottle, taken according to directions does produce positive benefit and makes a new and constant friend. This is thoroughly demonstrated in New England, where Hood's Saraparilla has been known to the people for 10 years, and where its sale is continually increasing.

"Couldn't keep store without Hood's Saraparilla," G. A. Hoveins, Trumansburg, N. Y. Builds Up the System.

"I must say Hoodintareaparilla is the best medicine I ever used. List spring I had no appetite, and the least work I did fatigued me ever so much. I began to take Hood's Saraparilla, and soon I fait as if I could de as much in a day as I had stormerly done in a weak. Hy appetite is versoious." Han H. V. Savman, Atlantic City, N. J.

"It to with chaerfulness that I record a just verdet in favor of Hood's Baraparilla is being the most satisfactory family remedy I ever used. Three bottless cured use of dy-physica of long standing." Jour F. Herman, Forliand, Fenn.

#### Rushing to Death

in the attempt to swim the Niagara Whiripool Bapids is no more reckless or dangerous than to tride with diseases which each day secures a stronger hold and hastens the end of life. This is specially true of rheumatism, neuralgia, sol-atios, and nervous beadache, which though per-haps slight at first are extremely dangerous, and steadily secure a firmer grip until at last the agony is unendurable and sudden death

These diseases can be cured by the use of Ath-lophores which, in connection with Athlophores Pills, never falls when properly used. Read the following from those who have tested it.

C. A. Steward, Nelson, Pa, says: "Athlophoroe has saved my mother's life. Last spring two of the best physicians in the county said she could not live two months. She had been belpiess for a year, had to belifted off and on the bed, limbs all drawn out of shape, cords contracted, fiesh sore to the touch, could not be lifted or touched without screaming about. The soreness is all gone, the cords relaxed, appetite good and gaining every day, and I think a few more bottles will cure her."

New Haven, Conn.

I had the neuralgia for three months in my lace. Went to the doctor; he gave me some medicine to take internally and a preparation of chiaroform to put on the outside, but it did not do any good. Could not sleep night or day, Had soffered so much and so long that I was afraid it would drive me crazy. Was told to try Athiophoros by a party it had cured of the rheumatism. After taking part of a bottle the pain all left as by magic, and now I am well, with not a sign of neuralgia about me.

About twenty years ago I discovered a little ore on my cheek, and the doctors pronounced it cancer. I have tried a number of physicians but without receiving any permanent benefit. Among the number were one or two specialists The medicine they applied was like fire to the ore, causing intense pain. I saw a statemen in the papers teiling what S. S. S. had done for others similarly afflicted. I procured some at once. Before I had used the second bottle the neighbors could notice that my cancer was bealing up. My general health had been bad for two or three years—I had a hacking cough and spit blood continually. I had a severe pain in my breast. After taking siq bottles of S. S. S. my cough left me and I grew atouter than I had been for several years. My cancer has healed over all but a little spot about the size of a half dime, and is rapidly disappearing. 1 would ad-vise every one with cancer to give S. S. s. a fair trial. MES.
