"May, thou month of rosy beauty!
Month, when pleasure is a duty!
Month of maids that spoil the kine,
Bosom rich, and breath divine!
Month of bees, and month of flowers,
Month of blossom-laden bowers!
Month of little hands with dimples,
Lovers' love and poets' parents!
O thou merry, merry minstrel,
May, thy very name is music!"

SOMETHING ABOUT POTATOES.

Take Your Choice from Three Varieties Kind to Select From.

From the Rural New Yorker.

At this season of the year we always receive questions as to what is the best potato to plant—best quality, yield and form. We can only answer such questions for our own land and climate, and therefore would impress it upon our readers that they should be influenced by our statements only to the extent of trying small lots of the varieties so specified. The following kinds have been tried here within the past two years:

Pearl of Savoy—Somewhat earlier than Beauty of Hebron. Resembles it. Yield large, quality good.

Early Mayflower is a second early. Yields well, but there are many too small for market. It is a fine keeper. Shape of the best. quality fair.

Lee's Favorite is earlier than Early Rose by a few days. Yields well. Quality same as Early Rose. Variable in form.

Vanguard is not superior to Early Rose in any way.

Dakota Red. Not recommended.

Potentate. Later than Beauty of Hebron, and no better in any way.

Bonanza is a second early. Yields well, quite shapely, fair quality.

Corbin' Mammoth is a heavier yielder; not otherwise recommended. Intermediate. Very irregular.

Early Maine is as early as Early Rose and of the same color and shape. The color about the eye is often pink. It yields more than the Rose, and is rather of better quality.

Home Comfort is a late intermediate yielding well. Skin pink; long, tapering in shape. Depressed about the eyes.

Early Yankee. Late. Not recommended.

Thorburn resembles Beauty of Hebron—quality fine.

Early Flower is no better than Early Rose.

Sunset. Late. Not recommended.

Brownell's Superior is a small yielder of small potatoes. Late.

Charles Downing is a trifle earlier than Early Rose, and resembles Beauty of Hebron in every way.

Stray Beauty is as early as Early Rose. Irregular in shape and a small yielder. Resembles Triumph.

Kennebec Beauty is of Early Rose class, fully as early and about the same in all essential respects.

Dictator is late. This is a solid good potato yielding fairly for a late potato. The shape is roundish; the quality is not of the best.

Great Eastern is late. Eyes rather deep. Buff skin, shape variable. It is of the Peachblow kind. Quality inferior.

Empire State is rather late. White skin, variable in form. Eyes numerous, not deep; a fair yielder; quality good.

Electric and Jack. Small yield.

Perfect Peachblow, Dianaha, Ontario. Small yield.

Owen Seedlings. Second early. Yields well, quality good.

Murry's Gold Flake is distinct in appearance, yield well; skin is a dull russeted, dull yellowish color. Quality not of the best.

Swingley's Pride is late. Irregular. Deep eyes. Not recommended.

President Cleveland. Not recommended.

Rose's New Purple Blush. Not recommended.

Rose's Beauty of Beauties is late. Yellowish skin, eyes medium in number, rather deep. Ordinary yielder; quality fair only.

Vancouver, Carman, Market Garden, Gen. Logan, Lake George, Canada Red, Eclipse, St. John, White Swan, Fort Monroe, Albany Market, Dew Drop, Saratoga, Rose, Frost, Siberian, Champlain, Silver Spray, Snow Queen, Essex, Jurkis, Pride of Carlton, Manhattan Market, Garland, Vermont Favorite, and Mt. Washington are no better than many old kinds.

Troy is a good shapely, intermediate potato, that yields very well.

Early Pearl is a second early, goodlooking potato of excellent quality. It yields fairly.

Agony is Courted

By persons who, attacked by a mild form of rheumatism, neglect to seek prompt relief. Subsequent torture is prevented by an immediate resort to Hostetter's Stomach Bitters. Slight exposure, an occasional draught, will beget this painful malady, where there is a predisposition to it in the blood. It is not difficult to arrest the trouble at the outset, but well nigh impossible to eradicate it when matured. No evidence in relation to this superb blood depurent is more positive than that which establishes its efficacy as a preventive and remedy for rheumatism. Not only is it thorough, but safe, which the vegetable and mineral poisons, often taken as curatives of the disease, are not. Besides expelling the rheumatic virus from the system, it overcomes fever and ague, biliousness, constipation and dyspepsia.

"I wonder how it is that Lawrence Barrett always keeps his voice so clear and resonant?" "Why, I suppose like every other sensible man, he keeps a supply of Dr. Bull's Cough Syrup."

Rheumatism had had hold of me for two or three years. I tried Salvation Oil; it quickly gave me relief, and I have not had it since.
WM CLARK,
Clinton, Baltimore County, Md.

CURE OF TYPHOID FEVER.

Charles Hartford, of New Castle, New York, testifies that he was cured of typhoid fever by BRANDRETH'S PILLS. Read his letter:

"About a year ago I was attacked with typhoid fever. My physicians treated me for some days, and I was so weak I thought I must die. Although at times delirious and suffering intense pain in the head and back, and parched up with fever, I still had sense enough to remember by box of Brandreth's Pills. I managed to get them and swallowed six, and then took a bowl of hot tea. My doctor had been afraid to give me a purge, I was so weak, but Brandreth's Pills made me stronger. As soon as they acted freely, my head cleared, fever abated and I slept for ten hours. I continued taking three or four pills every night for a week and entirely recovered, although my doctor had given me up. Undoubtedly Brandreth's Pills saved my life."

HOOD'S SARSAPARILLA.

Purify Your Blood

Good health depends upon pure blood; therefore, to keep well, purify the blood by taking Hood's Sarsaparilla. This medicine is peculiarly designed to act upon the blood, and through that upon all the organs and tissues of the body. It has a specific action, also, upon the nervous and excretions, and assists nature to expel from the system all humors, impure particles, and effete matter through the lungs, liver, bowels, kidneys and skin. It effectually aids weak, impaired and debilitated organs, invigorates the nervous system, tones the digestion, and imparts new life and energy to all the functions of the body. A peculiarity of

Hood's Sarsaparilla

is that it strengthens and builds up the system while it eradicates disease.

"I must say Hood's Sarsaparilla is the best medicine I ever used. Last spring I had no appetite, and the least work I did fatigued me over so much. I began to take Hood's Sarsaparilla, and soon I felt as if I could do as much in a day as I had formerly done in a week. My appetite is voracious." MRS. M. V. BAYARD, Atlantic City, N. J.

N. B.—If you have made up your mind to get Hood's Sarsaparilla do not take any other.

Now is the time to purify the blood, for all the other organs in the body are preparing to benefit from medicine. The present promising and reviving qualities of Hood's Sarsaparilla, are just what are required to expel disease and fortify the system against the debilitating effects of mild weather. Every year increases the popularity of Hood's Sarsaparilla, for it is just what people need at this season. It is the ideal spring medicine. If you have never tried it, do so, and you will be convinced of its peculiar merit.

"Hood's Sarsaparilla has driven the poison from my blood, and though 70, I feel active and strong as at 50." W. H. GOODRICH, Brooklyn, N. Y.

Spring Medicine.

"I take Hood's Sarsaparilla for a spring medicine, and I find it just the thing. It tones up my system and makes me feel like a different man. My wife takes it for dyspepsia, and she derives great benefit from it." FRANK C. TURNER, Hook & Ladder No. 1, Friend Street, Boston.

"I had salt rheum on my left arm three years, suffering terribly; it almost disabled me from work. I took three bottles of Hood's Sarsaparilla, and the salt rheum has entirely disappeared." H. M. MILLS, 71 French Street, Lowell, Mass.
