- Emile Pickhart in Boston Globe.

Bossie Miles, age 8 years, a daughter of a blacksmith living near Harrod's Creek, Ky., was on Saturday night the victim of a crue joke which caused the loss of her reason. On the night in question the little girl's mothe took her to the residence of Mrs. Herman Grandt, where a private spiritual sea Grandt, where a private spiritual scance was being held. The girl was very much frightened and frequently begged her mother to go home. The company laughed at her, and finally a son of Mrs. Grandt, in a spirit of mischiet, crawled behind the girl's chair and gave utterance to a dismal gross. The poor girl fell from her chair in convulsions. Everybody was now thoroughly frightened and the girl's mother was nearly distracted with grief. There was no physician pear. and the girl's mother was nearly distracted with grief. There was no physician near, but everything that could be thought of was done. The child remained unconscious until Dr. Rubby arrived there. Then she opened her eyes, but there was a wild unnatural light in them, and the doctor thinks her reason has been dethoroned. The shock was also so great to her nervous system that she may not recover.

At Ciarksville, Mo., the 100 mile bicycle road race for the championship of the world, under the auspices of the League of American Wheelmen, was run on Monday. Besides county towns there were several hundred nembers of the League present. The start was made at 9 o'clock in the morning with the men in the following position: H. G. the men in the following position: H. G. Crocker, Boston, 53-inch Columbia; A. A. McCardy, Lynn, Mass, 45 inch Star; Samuel Hoitingworth, Rushville, Ind., 53 inch Columbia; Robert Neilson, Boston, 53 inch Victor; L. G. He was caught by Crocker at the toil gate, etx miles from Clarksville. The ground was heavy, and the going hard. As the men passed through Clarksville, 39 miles from the start, Brocks, Frazier, and Munger dropped out. Rhodes and Neitson were together, Crocker a little tehrod, and Hellingsworth behind Anodes and Netson were together, Crocker a little tebrad, and Hollingsworth behind Crocker. Whittaker had broken his wheel, and having obtained a new one began to recover lost ground. Ashinger also dropped at this point. The first lap, 23 3-5 miles was made in 1:20. Rhodes maintained his lead and won handily.

A Sea-Sick Passenger. On the ocean, cares little about a storm. He is positively indifferent whether he is washed overboard or not. But, set right by a wineglassful or two of Hostetter's Stomach Bitters, he feels renewed interest in his personal brackish water-often compulsorily drank on health-the permicious impurities which give rise to disorders of the stomach, liver and sowels. To the mariner, the tourist, the Western pioneer and miner, the Bitters is invaluable as a means of protection against malaria, when its seeds are latent in air and To the effects of overwork, mental or manual, it is a most reliable antidote, and to the debilitated and nervous, it affords great and speedily felt relief and vigor.

A ROON FOR OLD SOLDIERS.

Manyan old soldier still suffering from wounds received in the great Civil War will be interested in the following letter:

P. O. Boy to, Massocra, I.L., Jan. 8, 1886.
I suffered greaty for a number of years with violent pates through my left lung, occasioned by agunshot wound. The wound healed, but I was left with severe neura gie pains—particu-larly during changes in the weather. I found no relief until 1 placel an Allocek's Perous Plaster on my back and chest, covering the inlet and outlet of the ball, in less than an hour was free from paid. H. F. RICHARDS.

OF BULAL MOTION

The above is an old saw as savage as it is senseless. You can't "grunt out" dyspepela, nor liver complaint, nor nervousness if they once get a good noid. They don't remove themselves in that way. The taking a few doses of Burdock Blood Hillers is better than "grunting it out." What we can cure let's not endure. For sale by H. B. Cochran, druggist, 137 and 133 North Queen street, Lancaster.

You Can Depend On It. "For severe toothsche and neuralgia of the head I used Thomas' Eclectric Oil. This is cur-tainly the best thing I ever know for relief or pain of any kind. The house is never without It." His A. M. Frank, 177 W. Tupper street, Buf-fato, N Y. For saile by H. B. Cochran, Gruggist, 137 and 139 North Queen street, Lancaster. The Resurrection of Lazarur

was a miraculous operation. No one thinks of raising the dead these times, though some desperately close to death's door have been completely restored by Burdock Blood Hitters to genuine and lasting health. For sale by H. B. Cochran, druggist, 137 and 139 North Queen street, I ancaster.

Is something to be avoided. Bables with colds, bables with croup, bables with scalds, burns, bites, aches, sprains, or pains are bound to become noisy tenants of the household. Dr. Thomas' Eclectric Oit will cure all these compiaints. For sale by H. B. Cochran, druggist, 137 and 139 North Queen street, Lancaster.

A Pleasant Acknowledgment. "Had sour stomach and miserable appetite for months, and grew thin every day. I used Bur-dock Blood Bitters with the most marvelons re-solts; feel splendid." Mrs. Joseph Johnson, Pitt-burg, Pa. Yor sale by H. B. Cochran, Grug-gist. 137 and 139 North Queen street, Lancaster.

Humbugs! Imposters! Thieves! Humbugs! Imposters: Thieves:

The above are terms applied to the unreliable and dishonest, Dr. Thomas' Eclectric Oil for diphtheria, catarrh, asthms, rheumatism, and all sakes, sprains, and pains is not a thing of deception but a pleasant and honest remedy. It is honestly put up, honestly sold, and does what is cialmed for it. For sale by it. B. Cochran, druggist, 187 and 189 North Queen street, Lancaster.

Great excitement has been caused in the vicinity of Paris, Tox., by the remarkable recovery of Mr. J. E. Corley, who was so helpless he could not turn in bed, or raise head; everybody said he was dying of Consumption. A trial bottle of Dr. King's New Discovery was sent him. Finding relief, he bought a large bottle and a box of Dr. King's New Life Pills; by the time he had taken two boxes of Pills and two bottles of the Discovery, he was well and had gained in fical thirty-six pounds.

TRADE S.S. S. IMARK

About twenty years ago I discovered a little sore on my cheek, and the doctors pronounced it cancer. I have tried a number of physicians but without receiving any permanent benefit Among the number were one or two specialists The medicine they applied was like fire to the sore, causing intense pain. I saw a statemen in the papers telling what S. S. had done for others similarly afflicted. I procured some at once. Before I had used the second bottle the neighbors could notice that my cancer was healing up. My general health had been bad for two or three years—I had a hacking cough and spit blood continually. I had a severe pain in my breast. After taking siq bottles of S. S. S. my cough left me and I grow stouter than I had been for several years. My cancer has healed over all but a little spot about the size of a half dime, and is rapidly disappearing. I would ad-vise every one with cancer to give 8, 8, 8, a fair trial. MMS.
