And as the queen did ride,

And take my love amiss,
Then I il ride until the end,

A Story of Cleveland,

From the New York Sun. One day a gentleman called at the White House to ask Col. Lamont to persuade the president to take particular notice of an old president to lake particular notice of an old lady who was intending to be at his public reception that day. He said it would give him so much gratification if he would only notice her a little more conspicuously than he did the rest of the guests. On another occasion a gentleman wrote to say that he would attend the reception with a bride whom he had told that the president would receptive as any har would as we have recognize as such as soon as he saw her in the crowd. He had tried to convince her that the president, by some art of divination, was enabled to detect every bride that came to the White House, and if Mr. Cleveland would only demonstrate that he had such a would only demonstrate that he had such a faculty in this case it would be very grafifying. He told how he could be identified, and by what sign the president might tell the party. When Colonel Lamont took the note to the president this latter laughed, and said, "All right, if I can remember I will said, "All right, if I can remember I will try to gratily them." When the party reached him in the line of handshakers, and the gentleman who had made the request gave the sign, the president "tumbled" inantly, and, looking into the lady's face, he

said: particularly so as brides are scarce to-day. I have watched for them, as usual, for I can always detect them, you know, and you are but the third I've seen. We usually have a dozen or so, but they make up in beauty fo-day what they lack in numbers."

Now, who having the prevalent impression of the president would expect him to do a graceful little act like that? The young oman nearly fainted from amazemen ste soon recovered from it and will tell her children and her grandchildren how the president of the United States identified her as a bride in a company of a hundred and fifty women. the Same Both Ways.

DISGUSTING SKIN DISEASES.

What spectacle is more disgusting than that of a man or woman with a skin disease which shows itself in pimples and blotches on hands, arms, face and nock. See what Brancarri's Pills did for a chronic case:

For four years I was in the Mounted Infantry in the U.S. Army, residing during that time principally in Texas. Almost all of that time I had a chronic skin disease, characterized by an eruption over the entire surface of my legs and eruption over the entire surface of my legs and thighs, arms and chest. The doctors termed it coreins. I had given up all hopes of ever being cured, when Brandreth's Pills were recom-mended to me. I concluded to try them and did so, and I have thanked God daily since then that I did so. I think I used them altogether for about three months, and, by that time, was completely cured, and have never had any troublesin to. My skin is as clear as any one s. GEORGE CHAPMAN.

You can be weak, nervous, debilitated, and despondent, disqualified for work of head or hand, or you can enjoy a fair share of health and peace of mind. Burdock Blood Bitters will alleviate your misery and do you a world of good if you will but have saith to try. For sale by H. B. Cochran, druggist, 137 and 139 North Queen street, Lancaster.

Allow Us to Say That a good deal of the suffering in this world can be avoided by purchasing Dr. Thomas' Relectic Oil, and using it as per directions. It is an infallible cure for all aches, sprains and pains. For sale by H. B. Cochran, drugg'st, 137 and 139 North Queen street, Lancaster.

An Excellent Report.

Hon. Jos C. Goodridge, of Browklyn, N. Y., writes this: "Cannot express myself in sum-clently praiseworthy terms. Burdock Blood Billers have need for the past two years; keep my stomach in splendid trim." For sale by H. B Cochran, druggist, 137 and 139 North Queen street, Lancaster.

The Chinese Must Go.

And so must neuralgia and rheumatiam, when Dr. Thomas' Eclectric Oil attacks them. This nedicine is a marvelous product of ingenious thought. Buy it and try it. For sale by H. B. Cochran, druggist, 137 and 139 North Queen street, Lancaster.

Dr. Tanner certainly has a great stomach-great because of its streng, h and endurance. We may err in saying that the doctor uses Bur-dock Blood Bitters, but if he does, his digestive powers are easily accounted for. "Burdock Blood Bitters" being a standard medicioe are sold by all draggists. For sale by H. B. Coch-ran, druggist, 137 and 139 North Queen street, Lancaster.

A Haptist Minister's Experience.

"I am a Baptist minister, and before I ever thought of being a clergyman I graduated in medicine, but left a lucrative practice for my present profession, forty years ago. I was for many years a sufferer from quinsy. Thomas' Ecicetric Oil always relieved me. My wife and child had diphtheria, and Thomas' Ecicetric Oil always relieved me. My wife and child had diphtheria, and Thomas' Ecicetric Oil cured thou, and it taken in time it will cure seven times out of ten. I am confident it is a cure for the most obstinate cold, or cough, and if any one will take a small easpeon and half fill it with the Oil, and then place the end of the spoon in one mouril and draw the Oil out of the spoon into the head, by miffing as hard as they ma, until the Oil falls over into the throat, and practice it twice a week, I don't care how ofunnive their head may be, it will clean it out and ours their earrib. For deafness and earsche, it has done wonders to my certain knowledge, it is the only medicine dubbed patent medicine that I have ever feit like recommending, and i am very angless to see it in every place, for it sail you that I would not be without it in my house for any consideration. I am now affering with a pain like rheumatism in my right limb, and nothing relieves me like Thomas' Ecicotric Oil." Dr. L.

TRADE S.S.S. MARK **BLACK WOLF**

Or Black Leprosy, is a disease which is considered incurable, but it has yielded to the curative properties of Swirr Seguine—now known all over the world as S. S. Mrs. Bailey, of West Somerville, Mass., near Hoston, was atacked several years ago with this hideous black eruption, and was treated by the best medical talent, who could only say that the disease was a species of

----LEPROSY-

and consequently incurable. It is impossible to describe her sufferings. Her body from the crown of her head to the soles of her feet was a mass of decay, masses of flesh rotting off and leaving great tavities. Her flegers festered and three or four nails dropped off at one time. Her ilmbs contracted by the feartful ulceration, and for several years she did not leave her bed. Her weight was reduced from 125 to 60 ibs. Ferhaps some faint idea of her condition can be gleaned from the fact that three pounds of Cosmoline or offitnent were used per week in dressing her sores. Finally the physicians acknowledged their deteat by this Black Wof, and commended the sufferer to her all-wise Creator.

Her husband bearing wonderful reports of the use of Swipt's Spacino (5, S, S), prevailed on her to try it as a last resort. She began its use under protest, but soon found that her system was being relieved of the poison, as the sores as wined a red and healthy color, as though the blood was becoming pure and active. Mrs Balley continued the S, S until last February; every sore was healed; she discarded chair and cratches, and was for the first time in twelve years a well woman. Her husband, Mr. C. A. Balley, is in business at 175 Blackstone atreet, floston, and will take pleasure in giving the details of this wonderful cure. Send to us for Teatise on Blood and skin Discasce, mailed tree.

High Authority. Hop Bitters is not, in any sense, an atochotic beverage or liquor, and could not be sold, for use, except to persons desirous of obtaining medicinal bitters. U. S. Com'r Internal Sev.

Wassiveron, D. C., Sept. 24, 1834.

Dear Sir—Why don't you get a certificate from Col. W. H. W., of Baltimore, showing how he cured himself of drunkenness by the help of top Bitters. His is a wonderful case. He is well known in Rochester, H. Y. by all the drinking people there. He is known in this city. Cincinnati, New Orleans, New York; in fact all over the country, as he has apont thousands of dollars for rum. I hopestly believe his card would be worth thousands of dollars to you in this city and Baltimore alone, and make thousands of sober men by inducing the use of your bitters.
