# THE LANCASTER DAILY INTELLIGENCER, MONDAY, AUGUST 15, 1857.

of the court in the case of the ing on the old line of East King that such injunction would nies viswers were appointed and d for the property taken in ing to the new line is now bearing te fruit. On Saturday a petition nted to court asking for the apand taken on North Queen street, be-Chestant and Walnut streets, by the in making the new line of the street. inical grounds the court refused to w the petition, but it will be amended

form to the court's views. If all property owners in streets where new line has been made had recognized ash line, there would probably have been no nt of damages, each surrendering his portion for the common betterment all. But where some conform to the w line and others ignore it without y, it is but natural that the former wild ask damages from the city for their deration. And so the city and county I have to face claims for damages to the t of tens of thousands of dollars. and it will be robbing Peter to pay Paul, for the large increase of damages will re-

nice an increased city will have to It may here be noted that under the new isipal law councils are given power to sat, open, widen, straighten, alter, ex-

or improve any street, etc., that disassessment of damages "three at and disinterested freeholders of to mid city " shall act as viewers instead of five from the county as heretofore.

## The Case of Riddleberger.

sator Riddleberger seems anxious to the running mate of ex-Senator Jones in disiting to the public what idlosyncrasies may be found in a United States senator. Seese had the pardonable weakness of bring a young woman who hated him. arger hated a judge and in his fort to make his hatred apparent to the ie found himself behind the prison

It is very probable that the judge was as rest in his trial of the cause in which highly of the guardemen, and was about to add a compliment to the men when the presi-dent interrupted with some surprise : " Well, general, are there no troops in this parade but Pennsylvanis guardiamen ?" " None worth a d-\_\_\_\_." Mr. president promptly replied the general, and Cleveland's respect for Penney ivanis troops was tulghtly increased by this bluff compliment from one who knows a good soldler when he sees him.

# AURUND RIAGARA UN A BICTCLB.

Preschman in with list and fires Soll Makes a Daring Journey.

Ten thousand excursionists were at Nisgara Falls on Sunday to witness two events of interest which had been promised Alphonse King, the water-walking French-man, who tipped over in his golden silppers in the boiling waters a few months ago, had said he would ride a water bicycle across the

It is a pleasure to report the success that has crowned the efforts of the Philadelphia river, and Professor J. E. De Leon had an-Times and Press in giving to the world ex-collent newspapers. The Times has just had put in pince a Hos quadruple perfecting nounced that he would walk Steve Peers' seven-sighths inch steel cable, 100 feet long, suspended 200 feet over the deadly whiripool rapida. printing press that increases the capacity of hat rewapaper establishment to 100,000 copies of the daily issue in an hour, and which can be At 4:33 'o'clock King mounted his water bicycle, which turned out to t s quite a wo derful machine. All the elements of t ents of the derial machine. All the elements of the land wheel were present, only that the big wheel had water paddles attached to its tire and was kept on the surface by two long torpedo-shap ad floars of shoet iron. King wore a dress suit and slik hat, his only promade to throw off 120,000 copies in the same ime under bigh pressure. The Times says t has gained 40,000 subscribers since the beinning of the year. The Press says it has been gaining in its Sunday edition at the rate of nearly 1,000 a month from January 1, and announces that it is now increasing its press tection from the waves being rubber leg-gings. The Siamese princes were present and winessed the start. Superintendent Weich would not allow the start to be made facilities. These two facts about the success of these two big Philadelphia dailies is the best kind of evidence that honest, progressive journalism is appreciated by the people. from the re-ervation dcck, so the bicycle was towed to a point on the American bank di-rectly under the new suspension bridge. King pulled out until he struck the down current, and then took a disgonal course. The bicycle rolled considerably when the up IT costs \$300,000 a year to maintain the state National Guard, and Gen. Sheridan The bloycle rolled considerably when the up current was reached, and it looked as if he must upset. The floats weathered the treacherous currents and eddies beautifully, and in four and a half minutes the tired Frenchman landed on the Canadian bank. He was greeted by cheers from the bridge and both banks of the river. He was taken into the bost and it was found that his cloth-ing was not aven was the float banks of the

GEORGE W. VANDERBILT has d termined bo build for the New York free circulating library a branch library on the west side of town. He has chosen a building site in Forty-second street, between Seventh and kighth avenues. The design for the struc-ture has been prepared by Richard M. Hunt. It will cost \$40 000.

WILLIAM NOLAN and Jesse G. Hawley have arrived in Reading from their tour of the British leice. Mr. Nolan was tendered a very pleasant screpade at the Mansion ho While abroad they attended the Gord wood races with General Cameron. Though it was necessary to travel ninety miles in the cars to the course, the general was the liveliest of the party after the trip.

party after the trip. SIMON CAMERON was dined by Governor Waiter in London on Thurs lay, when fifty eminent Americans were also at the table. Emperor William is a grand old man and his bealth is good again, but he can not compare for vigor with the 50-year old emperor of Pennsylvania, who never speaks of his bealth out drinks champagne and eats ribroasts, pickles and coceanut pie with a calmoss that proves him truly great.

The Crops and the Weather. The crop bulletin of the United States signal office for the past week mays that the drought previously reported in the corn beit in the central valleys has been followed by general rains, and the conditions existing this morning indicate that rain will continue in this section; but the reports from Ohio, Indiane, Illinois, Missouri, Nebraska and Kamas state that the rains came too late to cause marked improvement in the aiready in jured crop. The weather has been geder-ally favorable for all crops in the states on the us Allantic coast, from Georgis morth ward to New England; and reports from Missis appl, Arkanass and Alabams indicate that the weather for the week has been favorable for the cotton crop, although the crop needs more rain in portions of Tennesses and Arkaness. Less then 50 per cent. of usual amount of rain was reported in the tobacco region of Kentucky and West Tennesses during the past our week. During the same period in Virginia over 75 percent of the usual amount of rain was reported in the tobacco region of Kentucky and West Tennesses during the past four weeks. During the same period in Virginia over 75 percent of the usual amount of rain seal, and in North Carolins, Penneyl-vania and Connecticut the rainfall for the month has been largely in excess. The Crops and the Weather.

What Ges, Sheridan Told the President. from the Philadelphia Becord.

The soldier boys are pever tired of telling the latest story about General Sheridan, which came out as an incident of his visit to the Pennsylvania troops. Sheridan was tary parade ou inauguration day when Ger.

tary parade on insuguration day when Ger. Snowden's First brigade passed the stand. "General," said the president to the hero of "General," said the president to the hero of "General," said the president to the hero of "They are from Penneylvanis," responded Sheridan. The First brigade passed, and Gen-eral Gobin's régiment marched by. "What troops are those ?" again queried the presi-dent. "Penneylvanis soldiers also," was the president, se the command marched on, and General Wylie's big brigade with 3,000 men in like came up: "Now what troops are these ?"

"More Pennagivania troops," said Sheri-

The other days a bridal couple got on an express train on the Pent sylvania railroad at Harrisburg and on the outside of the ca below the window at which the fair bride below the window at which the fair bride sat, one of the merry bride's maids pinned an old silpper for a sign of good luck. Remark-able as it may seem that slipper remained fast to the swirily moving car all the way to Philadelphi-, and every now and then the interested bride looked out and found to her supposed delight that the slipper was still there. If there is any virtue in such omen this cortainly portended well. A West Ubester man who way on the train vouches for this incident. Even the Wickedest. From the Duluth Paragrapher. Even the wickedest of us slways admon ish a parting friend to " do write." A Spartan Heroism is often exhibited by a deilcate woman during the extraction of teeth. But why not save them in time, with SOZ DONT, and thus obviate the tecessity of taxing one's fortitude ? The tenants of the mouth, are far more likely to re-main and do good service, if this sovereign proective is used as a safeguard against their un timely destruction. The experience and evi dence of hosts of people, proves this sanatory APROIAL NOTIONS. The Travellog Salesman
