Segular Correspondence of INTELLIGRNORE COLUMBIA, March 15 .- It was thought Columbia, March 15.—It was thought that the dam at this place was not badly damaged by the ice gorge of last month, but the loe has caused considerable damage 53% hat structure. The dam has been injured about one thousand feet from this side of the river and the break is about one hundred and fitty feet in length. The rent is rapidly becoming larger. The water has fallen very much the last few days, and it is quite low on account of the large opening. peats of Mrs. Kraisert.

Mrs. Peter Kratzert, of Norwood, died at her home yesterday afternoon in the sixty-eighth year of her age. She had been sick for several months past and her death was beld on Saturday afternoon at 2 o'clock; corvices in the German Lutheran church on Locust street, and interment in Mount Bethel cometery.

The Lecture. Dr. T. F. Hance will deliver a lecture on Friday evening in the rooms of the Young Men's Christian association. The lecture will be on the subject of "Water," and will be illustrated with chemical experiments of an instructive and entertaining character. The lecture will be free and will no doub have a large audience. It will be very in-structive. The management are doing their best to secure instructive lecturers and Dr. Hance will make his part of the programme

Machinery Overhauled. All the machinery of the water company is being overhauled. The cylinders are being bored out with a patent steam drill, the work being done by Mr. John Hammer, of Philadelphia. The cylinders are bored out in their present position. Rev. Thomas H. Moore desires to thank

THAT PRINCE OF PROPHETS. The Ground-hog Wakes from His' Six Work

lamber and is in Happy Moo The six weeks hibernation of the ground og ends to-day. He came out of his hole uary 2d, saw his shadow, crawled back into his hole, "pulled the hole in after him," and slept sweetly for six weeks. He ow come out if he has a mind to, but he had better wait until the sun melts the snow and uncovers the young clover on

which he delights to feed.

An inspection of H. C. Demuth's weather record shows that the temperature for the past six weeks has been unusually low. There have been only eight days in all that time that the mercury did not fall to the freezing point and even in those eight days the minimum temperature ranged from 33 to 40. The minimum temperature of February 26, and of the first two weeks of March 28 degrees above zero. On several occasion the mercury nearly touched zero. Mr. muth's instruments being somewha sted from the weather do not show nite such a low temperature as some hers, but it is cold enough to vindicate the ground-hog as the most wonderful of

The Martin Robbery.

George Harple has been arrested on suspi closs of being the man who was with Harry Gallagher when Henry Martin was robbed on Friday night. Harple admits that be was in Gallagher's company that evening, but mays that he left him several hours be-fore the time at which the robbery is said to have taken place. The hearing was to have been held before Alderman McConomy today, but it was postponed until to-morrow afternoon. This morning another man was arrested for being in the party, but as there was not a particle of evidence against him he was discharged shortly afterwords.
