Regular Correspondence of INTELLIGENCER. There will likely be a large attendance of citizens the people are heartily in favor of a big femonstration, but the most important question is in what manner shall the anni-restary be celebrated. If the meeting is well attended and the people enter earn-

ently into the plans adopted the celebra-tion will be successful.

"Beacon Lights."—This popular play will be given at the opera house on Wednesday evening. Critics and public universally find fault with dramas in which "hero" and "he roine "occupy the only positions of interests such plays necessarily exclude the use of artists; the one character is all, the remainder are puppels, and they only cease to be oftensive when they have disappeared from the itegs. 5 PER CINI REDUCTION -FROM-March 31st to April 30th,

Rare Chance.

-ON ALL-

THE REASONS

Why we have offered this reduction are: Ist. Because we have been in the habit og giving away from Twenty-five to Seventy-five Dollars Worth of Cards and Chromos every Easter, and we think it will be the same to us and more advantageous to the Purchaser to get that amount (the cost of the cards) off of their Purchases.

2d. Because we feel confident that if we can in this way introduce the lines of goods we are now running into more families, at the prices we are now selling (to say nothing of the 5 Per Cent. Reduction) will be greatly to our advantage as well as to the advantage of the Purchaser.

This offer is not to New Patrons only, but to all of our Regular customers as well; but bear in mind we only m-ke this offer from this SATUKDAY, MARJH 31st, to MONDAY, APRIL 30th, 1888, inclusive.
