Boots and Shoes,

Thanking you all for the quick response in coming in last week to see our low prices, and for many complimentary remarks which were made on the conveniences—light and general adaptation of my store; and the best of all was the exceedingly low prices which always has been the main spring of my large business. Now I have lots of BOOTS and SHOES yet Now I have lots of BOOTS and SHOES yet Thirty Thousand Dollars worth of BOOTS and SHOES means something. I did not buy them to keep, nor to let spoil on the shelf if low prices will move them; off they go, for I am bound to sell. If you have not been dealing with us come in and look around and get acquainted; it don't matter whether you purchase or not, we will try and use you well.
