MISPAH.

Many readers have been interested in the meaning of the word "Mizpah." Its true import is best given in Genesis 31:49:

"The Lord watch between me and thee when we are absent one from another."

A broad gold band engraven
With word of holy writ—
A ring, the bond and token
Which love and prayer hall lit,
When absent from each other,
O'er mountain, vale and sea,
The Lord who guarded Israel
Keep watch 'tween me and thee.

Through days of light and gladness,
Through days of love and life,
Through smiles, and joy, and sunshine,
Through days with beauty ripe;
When absent from each other,
O'er mountain, vale and sea,
The Lord of love and gladness
Keep watch 'tween me and thee.

Through days of doubt and darkness,
In fear and trembling breath;
Through mists of sin and sorrow,
In tears, and grief, and death—
The Lord of life and glory,
The king of earth and sea,
The Lord who guarded Israel
Keep watch 'tween me and thee.

A PUZZLING QUESTION.

Why People Do Not All Go to the Theatre at Once in America.

From the National Republican.

Will some kind soul inform the *Republican* why it is that all the people who go to theatres don't some time, by accident, take it into their heads to go on the same night? Why is it that in the course of a week it often happens that the house is just evenly filled every night? Why is it that the receipts for a whole week do not vary more than ten or twelve, and seldom more than fifty, dollars on the night? In a city like New York or London a piece often has a run of six months or a year, with full houses all the time, but very few, if any, turned away. How is it that audiences of just such a particular size will distribute themselves over such a large period? What law is it that regulates the attendance at the theatres and makes the audiences almost uniform?

There can't be an understanding among the people as to who will go and who will not. The size of the audience is in one sense purely accidental, and the puzzle is, how a series of accidents can be of so uniform a character. Why is it that some time everybody doesn't conclude to go Monday night, or Wednesday night, or some other particular time? Is there any reason why an accident of that kind should not happen? and yet it never does happen. It must be by some unseen, unknown, mystic influence that the theatre goers of a community apportion themselves to the various nights of the week, so that the attendance shall be about the same each night. But that is an explanation which does not satisfactorily answer the question.

SPECIAL NOTICES.

JUST AS GOOD.

Don't allow anyone to make you believe any other remedy is just as good for sick headache as Dr. Leslie's Special Prescription, for it is not true. This is the only remedy in the world that strikes at the root of the disease and drives it out. Give it a trial.

Some Foolish People

Allow a cough to run until it gets beyond the reach of medicine. They often say, "Oh, it will wear away," but in most cases it wears them away. Could they be induced to try the successful medicine called Kemp's Balsam, which we sell on a positive guarantee to cure, they would immediately see the excellent effect after taking the first dose. Price 50 cents and $1. *Trial size free* at Druggists. jan14-lyd&w (2)

THE REV. GEO. H. THAYER, of Bourbon Ind., says: "Both myself and wife owe our lives to SHILOH'S CONSUMPTION CURES. For sale by H. B. Cochran, Druggist, No. 137 North Queen street. (5)

The Verdict Unanimous.

W. D. Suit, Druggist, Bippus, Ind., testifies: "I can recommend Electric Bitters as the very best remedy. Every bottle sold has given relief in every case. One man took six bottles, and was cured of Rheumatism of 10 years' standing." Abraham Hare, Belleville, Ohio, affirms: "The best selling medicine I have ever handled in my 20 years' experience, is Electric Bitters." Thousands of others have added their testimony, so that the verdict is unanimous that Electric Bitters do cure all diseases of the Liver, Kidney or Blood. For sale at H. B. Cochran's Drug Store, 137 and 139 North Queen street, Lancaster, Pa. (3)

Their Business Booming.

Probably no one thing has caused such a rush of trade at Cochran's drug store as their giving away to their customers of so many free trial bottles of Dr. King's New Discovery for Consumption. Their trade is simply enormous in this very valuable article from the fact that it always cures and never disappoints. Coughs, Colds, Asthma, Bronchitis, Croup and all throat and lung diseases quickly cured. You can test before buying by getting a trial bottle free. Every bottle warranted. (3)

"Fire Him Out."

This is a common remark when roughs and rowdys insult public decency by their unseemly ways. Dyspepsia is a horrid bore. Fire it out with *Burdock Blood Bitters*. You can do it. For sale by H. B. Cochran, druggist, 137 and 139 North Queen street, Lancaster.

WHY WILL YOU COUGH when Shiloh's Cure will give immediate relief. Price 10 cts., 50 cts., and $1. For sale by H. B. Cochran, Druggist, No. 137 North Queen street. (6)
