It is brewed from the finest Pale Canada West Barley Mait and Seazer Hops, and is especially recommended by physicians for its topic and nutritive qualities, for family or medicinal use. Attention is called to the SUPERIOR PACKING of this Beer, it being put up in ATTEACTIVE FLIRT-GLASS BOTTLES.

The high reputation enjoyed by the BERGNER ENGEL BERWING COMPANY is due to the fact that only the Finest and Best Materials are used, and that the greatest skill and care are exercised during manufacture.

REEGNER & ENGEL received two prizes at the Centennial Exhibition, Philadelphia 1876, and were awarded the GRAND PRIZE at the Universal Exposition, Paris, 1878. The GRAND PRIZE, awarded at the Paris Exposition, is the only one of its grade (the highest) awarded for the excellence of Lager Beer actually exhibited and adjudicated, while only two other Grand Prizes were awarded to European Brewers for their merits and prominence in the business, and upon special recommendation by their respective governments.
