NERVOUS READACRES. OLD HONESTY.

The Nerves

Eomberg says "that neurals is is the prayer of the nerves for healthy blood." This is equally true of every form of nervous disease. If the blood is in a normal condition the nervous system receives from it the strength its functions require. Hence the all important question of the purification of the blood again impresses itself upon us. A moment of careful thought enables us to realize why Hood's sarsaparilia by its power to purify the blood produces cures in a great variety of diseases to an extent hitherto unknown.

"When I began taking Hood's Farraparilla I was confined to the bed nearly all the time. Now I am up the best part of the day, have a better appettte than for five years, and am not nearly so nervous as I have been." Mas. Aex A. Haller, Nicetown, Philadelphia.

Nervous Headqaches

Nervous Headaches

"I have been for years a great sufferer from nervous headache of an unusually severe type. I have tried a great many remedies, but never found any relief till I began to use Hood's Sar-sapa: illa. Before the second bottle was gone my headaches were not so severe nor so fre-quent. I am just beginning the fourth bottle and have not felt so well for years. The confused diray feeling in the head is absolutely gone, and my general health is wonderfully improved. I write tels, hoping it may induce some other sufferer like myself to try this invaluable medicine." Mrs. W. S. CARTWEIGHT, Shelter Island, Suffolk Co. N. Y. Hood's Sarsaparilla
