

The Daily Intelligencer. LANCASTER, JULY 16, 1888. The Daily Intelligencer publishes all the news of the United States up to the latest possible hour.

Advertisements in this paper are published at the following rates: For one week, \$1.00; for two weeks, \$1.75; for one month, \$3.00; for three months, \$8.00; for six months, \$15.00; for one year, \$28.00.

A Challenge. The New Era is already betraying a great deal of solicitude for the editors of this journal, who, it says, "being Pennsylvania Protection Democrats, but impelled by party pressure to apologize for its leaders' free trade policy, have lost their heads or their reverence for the truth."

The Intelligencer stands ready to make a handsome donation of money to any local charitable institution if the New Era will prove that the Democratic platform contains any sentiment, express or implied, in favor of free trade.

This campaign is going to be fought on the distinct issue of whether the tariff is too high in certain directions and whether it ought not to be reduced, with due regard to the interests of manufacturers and the wages of labor.

All signs indicate that the Democratic campaign is opening with unusual vigor for this season of the year. In Indianapolis 5,000 Democrats marched in procession on Saturday, and then listened to speeches by Hon. W. H. Engle, Hon. Joseph E. McDonald and Governor Gray.

The accession to the party ranks keep up, and one of the latest of them is Mr. D. S. Early, of Harrisburg, who in 1886 was the Greenback-Labor candidate for auditor general in this state.

Through Illinois and Michigan, the same situation is presented. In the latter state one of the big converts is Eli F. Harrington, of Grand Rapids, well known throughout the state for his former connection with the Grand Rapids Eagle, the leading Republican paper of Western Michigan.

Our Republican newspaper friends are gleefully quoting the London journals' declarations that the Democracy are for free trade this year. They do not state, what a fair opponent should, that such opinions must be taken with a grain of salt, for not only are American affairs for notoriety erroneous. Here is a case in point, the comments of the London Times, on the Republican nominations in Chicago:

On the Republican ticket is Prof. Morton of Alaska, but at present living in Florida, though it is said that he claims to be a resident of the great agricultural state of Florida.

Street Cars on Sunday. We have received from an esteemed correspondent the following inquiry: "Will you kindly inform me why it is that the cars of the Lancaster street railway do not run on Sunday?"

of individual discussion, but so far as we know, has not heretofore been in the public prints. We know no good reason why the cars of the Lancaster City Street railway should not run on Sunday.

An exceedingly interesting debate on the tariff will take place in Media on July 25 between Judge Broomall, of that place, and Benjamin C. Potts, a large manufacturer, the former representing the Republican and the latter the Democratic view of the case.

The kind of torchlight that will be in vogue this year will have political fire as its illuminant. The Philadelphia Times states the Democratic free wool argument very concisely in these words:

We consume annually \$10 per head of woolen goods to the value of \$50,000,000. We now furnish from home mills and labor about \$500,000,000 and pay European mills and labor for nearly \$900,000,000.

GEN. HARRISON had better save his strength. He will need it all to bear up against the November whirlwind. If the hotbeds who were anxious to Lynch William Smith at Peoria on Friday had carried out their desires a possibly innocent man might have suffered.

Let our Republican contemporary wrestle with this argument made by one of its own party. Such work will engross all its time, and possibly keep it in future from "furious misrepresentations."

A Vigorous Opening. All signs indicate that the Democratic campaign is opening with unusual vigor for this season of the year. In Indianapolis 5,000 Democrats marched in procession on Saturday, and then listened to speeches by Hon. W. H. Engle, Hon. Joseph E. McDonald and Governor Gray.

The enthusiastic meeting of the Lancaster Democracy on Saturday evening on the occasion of the unfurling of their new banner is significant in showing that the rank and file of the party are in perfect accord in this campaign and that they will move on shoulder to shoulder, keeping step with Democratic victory in November.

PERSONAL. PRESIDENT CLEVELAND will open his grand tour of the West at Williams' Grove on August 25th. MR. WALTER BAUSMAN has left for a month's vacation, which will be spent in Buffalo and the Catskill mountains.

MR. BLAINE has postponed his departure for Europe until August 1, when he will sail on the City of New York, of which he has been engaged passages for himself and family. The Republican club of New York has been spending enormous sums of money in making preparations for a great welcoming demonstration in Mr. Blaine's honor on the 27th of this month.

Fast and Loose. DECEY loosens the teeth. SOZDONT removes the cause of their destruction, and they retain their place in the dental process. After a few applications it will be found that the natural indentations in the teeth, formerly filled with a softening tartar, present a smooth surface with becoming luster. Thus beauty is heightened and health promoted.
