

AN EXCELLENT FENCE MADE BY THE NATIONAL HEDGE AND WIRE FENCE COMPANY OF YORK.

A delegation of Lancaster and York Farmers View it in Operation on a Chester County Farm. And Give it a Warm Testimonial for Various Good Points.

It was the good fortune of a representative of the INTELLIGENCER on Wednesday last, July 25, to accompany a delegation of the best farmers of Lancaster and York counties to the beautiful village of Whitford, Chester county, some forty miles east of this city.

The party was organized by the officers of the National Hedge and Wire Fence Company, of York, Pa., and was under the immediate care of Dr. E. H. Neiman, general manager, assisted by William Hohrath, agent for York county, and C. M. Cliflin, agent for Lancaster county.

In answer to inquiries Mr. R. Robinson told the visit on that where the present hedge stood there had been one planted in the old-fashioned way about fifteen years ago.

Meanwhile Mr. Cliflin was answering numerous questions giving details as to the method of making the new hedges, which he said could be made better from young plants than by taking an old hedge like Mr. Robinson's.

Some of the testimonials from different people relative to the hedge are given in the following list. It is the only remedy in the world that strikes at the root of the disease and drives it out. Give it a trial.

After dining at the residence of Mr. Samuel Henry, whose farm adjoins Mr. Robinson's, the company presented the following testimonial:

WHITFORD, CHESTER COUNTY, July 25, 1888. The undersigned farmers of Lancaster and York counties, having this day examined, upon invitation of the National Hedge and Wire Fence Company of York, over 100 rods of Ogea orange wire fence, which were wire, on the farm of Robinson & Shoemaker, of Whitehall township, are free to declare that this hedge, ground and wired as exhibited here, is a handsome and excellent guard against live stock and poultry—either for keeping in an enclosure or guarding against outside assault.

Augustus Leader, York. Joseph Leader, York. Morgan D. Hitt, East Petersburg. George Lightner, York. John N. New, York. Abram Hershey, Weightsville. Henry Rollins, York. Wm. Herman, York. Emanuel Herman, York. Hiram Young, York. Everett Groff, East Petersburg. Henry Eshenbade, Binkley's Bridge. J. Frank Landis, Lancaster. Eph. S. Hoover, Lancaster. Henry Rollins, Quarryville. H. M. Engle, Marietta.

Mr. Cliflin, No. 133 Nevins street, will take pleasure in explaining to farmers the advantages the hedge fence has over all other, apart from the rare beauty and indestructibility. Three or four good active men are wanted as agents by Mr. Cliflin.

AT LONG BRANCH. It was summer, and Long Branch. He came to see me, and I was in the mood to propose. He was handsome and hearty, and I loved him. I thought I should see how he would take me again.

MILTON'S LAST POEM. The following verses, so familiar to many, are given in the original language.

I am old and blind; Men point at me as pointing with God's frown, A sinner, and deserted by my kind; Yet I am not cast down.

I am weak; yet I am dying; I murmur not that I no longer see; Poor, old and helpless, I am none the less; Patient, supreme, to Thee.

O merciful One! When men are farthest, than Thou art most near; When men pass coldly by, my weakness shun; But when I call, my God, my Father, my Friend, My Father, my Friend, My Father, my Friend.

When Thy Leave Us. The exodus of our bodily troubles is doubly welcome if their departure is unaccompanied by pain. It is the fault of the best of us that we are so much afflicted with pain.

THE POPULATION OF LANCASTER. It is about 10,000, and the world say at least one-half are troubled with some affection of the Throat and Lungs, as those ailments are the most common.

Don't allow anyone to believe any other remedy is just as good for sick headache as Dr. Leslie's Special Prescription, for it is not only the only remedy in the world that strikes at the root of the disease and drives it out. Give it a trial.

SEILIGER'S COUGH AND CONSUMPTION CURE. This is the only medicine in the world that strikes at the root of the disease and drives it out. Give it a trial.
