The Iroquois club, which were in camp at Newport, Perry county, the whole of last week, arrived home Saturday evening. They came in on the 9:35 train in the evening and were met at the station by several members who had reached home on Friday evening. All formed into line and marche down North Queen street with the band, which was highly praised for its good music. They marched to Charile Strine's Spreeher house, where they dismissed and left for their homes. The members of the club are enthusiastic in speaking of the good time they had, and none of them seem able to praise it too highly. The people of Newport, and especially Mr. Mitchell, the owner of the grove, treated them like lords. The storm of Friday evening was very severe. Many of the club's members were in town when it took place and but about a half dozen were in the camp. The wind was terrific and many trees were blown down, at least a half dozen large locust trees fell across the dining tent and all of the sleeping tents were damaged. Fortunately no one was injured in the least.

Like the Light Weights Of the profession pugilistic, the kidneys are small but active in a state of health. Their secretion contains impurities productive of theumatism, gout and dropsy, if allowed to

rheumatism, gout and dropsy, if allowed to remain. When they are inactive, the blood-becomes choked with animal debris capable of destroying life. To promote their activity when slurgish with Hostetter's Stomach Bitters, is not only to guard against the diseases mentioned, but to prevent the fatty degeneration and ultimate destruction of the organs by those exe edingly dangerous maladies—Bright's disease and diabetes. Activity of the bladder also insures it against the formation of gravel, which it sometimes requires one of the most dangerous and painful operations in surgery to remove. Gravel, moreover, is a most agonizing complaint. The Bitters further commend themselves by remedying constipation, dyspepsia, debility, liver complaint and nervousness, and nullify influences productive of malarial disease.

The Population of Lancaster Is about thirty thousand, and we would say at least one-half are troubled with some affection of the Throat and Lungs, as those complaints are, according to statistics, more numerous than others. We would advise all not to neglect the opportunity to call on their druggist and get a bottle of Kemp's Balsam for t'e Throat and Lungs. Price Sic and \$1.00, Trial size free. Sold by all druggists. SPECIAL NOTICES. Dr. Tanner's Stomach.

Dr. Tanner certainly has a great stomach-great because of its strength and endurance. We may err in saying that the doctor uses Burdock Blood Billers, but if he does, his di ges-tvo powers are easily accounted for. "Bur dock Blood Bitters" being a standard medicine are sold by all druggists. For sale by H. B Cochran, druggist, 187 and 139 North Queen street, Lancast r.

Reducing the Surplus.

Reducing the Surplus.

The disposition of the surplus in the U. S. treasury engages the attention of our statesmen, but a more vital question has our attention, and that is the reduction of the Surplus Consumptives. Since the discovery and introduction of Pr. Ring's New Piscovery for Consumption, there has been a marked decrease in the motality from this dreaded disease, and it is possible to still further reduce the number of consumptices. How? By Reeping constantly on hand a bottle of Dr. King's New Discovery and using according to directions, upon the appearance of the first symptoms, such as a Couch, a Cold, a Sore Throat, a Chest, or bids Pain. Taken thus early a cure is guaranteed.

A Baptist Minister's Experience.

"I am a Baptist minister, and before I ever thought of being a clergyman I graduated in medicine, but left a lucrative practice for my present profession, forty years ago. I was for many years a sufferer from quinsy. Thomas' Eclectric Oil cured me. I was also troubled with hoarseness, and Thomas' Eclectric Oil aways relieved me. My wite and child had diphtheria, and Thomas' Eclectric Oil cured them, and if taken in time it will cure seven times out of ten. I am confident it is a cure for the most obstinate cold, or cough, and if fill it with the Oil, and then place the end of the spoon into the head, by sniffing as hard as they can, until the Oil fails over into the throat, and practice it twice a week, I don't care how offensive their head may be, It will clean it out and cure their catarrh. For deafness and earache, it has done wonders to my certain knowledge. It is the only medicine dubbed patent medicine that I have ever feit like recommending, and I am very earxious to see it in every place, for I tell you that I would not be without it in my house for any consideration. I am now suffering with a pain like rheumatism in my right limb, and nothing relieves me like Thomas' Eclectric Oil." Or. E. F. Crans, Corry, Pa.

WARM WAVES.

WARM WAVES

Are rolling in. You can't escape them; but you can escape the sleepless nights, loss of appetite, and languid feeling that result from draining the nervous force by muscular or mental exertion in summer's torrid days. The use of Paine's Celery Compound, that great nerve tonic, will at once strengthen the nervous system, and fortify it against the attacks of summer debility. This preparation is a midicine—not a drink. It is a scientific combination of the best tonics, giving lasting benefit to body and brain. It cures all nervous diseases, and has brought new life and health to thousands whose weakened nerves were the cause of their many ills. It is especially valuable at this season, when feeble persons are so liable to sunstroke, a disease which is nearly always fatal. Paine's Celery Compound, by restoring perfect health, almost entirely removes the liability to this dread disease. If you feel the effects of summer's heat, you can't afford to delay another day before gaining the vitality only obtained by this great medicine. Soid by Draggists. Six for \$5.00.
