## Bitten by a Snake.

Frank Fritz went to York county on Sunday to gather blackberries. He was reach ing under a limb to pick the fruit when he was bitten in the index finger of his right hand by a copperhead anake. The hand and arm became badly swollen and received attention from Dr. Craig. The man was kept under the influence of whisky, but suffered terrible pains. The arm and hand are still very much swollen, and Fritz still suffers very much from the poisonous bite of the snake.

A GOOD GAME.

#### The Athletic Club Gives the Beacons of Steelton & Little Lerson.

Saturday afternoon the Beacon club, which is composed of well known and very gentlemanly young residents of Steelton came to this city to play a game with the came to this city to play a game with the Athletic ciul. About 500 people witnessed the game, but many of these were of the class known as "hemlockers," who either look over the fence or steal in. The audience on the seats was very respectable, both in size and quality, however, and they saw one of the best games of the season. The Athletics presented a nine somewhat dif-ferent in make-up from that of former ferent in make up from that of former games. Kline, late of the Actives, who recently joined the Athletics, was seen on third, while Gleim covered first. Rill of the Actives caught and Afflebach pitched. The Athletics put up a much better game than has been their custom and one of the kind that they had good reasons to be proud of. The players seemed to be on their mettie, and played for all that they were worth. Their fielding was good and the features were an almost phenomenal catch of Reilly and a pretty stop of a very hot ball by Kline. The Athletic were quite lively with the stick, Gleim leading in the work with two doubles and a single. A filebach pitched very pretty game and was only hit safely five times. Rill caught his delivery in a manner that astonished even his warmest admirer, and the score speaks for itself concerning his good work. The pitching of McDowell, of the visitors, was by no

means bad, and he would have been much more successful had he received better support. The score in full follows:

AT\_LIETIC. B B P. A. E Kilnes, 3... 2 0 1 1 0 Potter, r... 1 0 1 0 0 Potter, r... 1 0 0 0 Potter, r.. 

A number of the young men of the Steelton ball club remained over Sunday to take a look around the town. They visited all the points of interest in the city, but the boat ride at the creek yesterday afternoon was the most pleasing incident of their trip. The members of the Athletic club used their every endeavor to give the visitors a good time, and the glowing thanks they were tendered was evidence that their efforts were successful.

On Saturday afternoon in a brick yard in the western end of town, a game was played between the Eclipse and Love Lane lube. But five innings were finished, and the score then stood 43 to 5 in favor of the Eclipse. During the game a most poculiar accident occurred. Frank Fritsch went into the box to pitch for the Eclipse, and when he attempted to make a curve, after pitching several ball, he broke the large bone of his right arm. It broke with a loud report, which could be heard some distance away. Dr. McCormick dressed the limb.

Bare Musical Treat at St. Mary's

A very large assemblage attended vesper services at St. Mary's church last night. Father Kenney officiated at the altar. Full musical vespers were rendered by the complete choir, Mrs. Lizzie Frailey presiding at the organ with her usual ability. Millard's Vespers, the trip "O Jean Me," by Verdi, a soprano solo "O Salutaris," and Millard's "Tantum Ergo," formed the musical programme. The choir rendered the chorus parts in the finest style, including the a capella parts in the vesper ser vice. The solo parts were beautifully sustauned by Misses Malone, Khosds, and Messre, McClain, Frailey and Lowell. "O Salu'aris Hortis," a soprano solo, was sung by Mrs. Henry R. Altick with exquisite finish and devotional pathor, and showed at once the very fine cultivation and flexibility of the fair singer's voice. Vesper ser vices at St. Mary's during the summer months are the rendezvous of many musiclans of this city, who are thankful for the treat that is offered to them regularly al

that occasion.
