Made Crazy By Religion. Augustus J. Boyer is a prosperous greesr of Roading. Several months ago he became converted in the Otterbein United Brethren church, and has since taken such an interest in religious matters that his mind has become affected. He refused to give credit some time ago because, as he said, the people would not have as much chance as before to spend money for beer. On Sunday he stood on a pile of bricks on Penn street and harangued a large crowd in layer of observing Saturday as the Sabbath. He was arrested, and his family will place him in some institution.

Reducing the Surplus.

The disposition of the surplus in the U.S. treasury engages the attention of our statesmen, but a more vital question has our attention, and that is the reduction of the Surplus Consumptives. Since the discovery and introduction of Pr. Eing's New Discovery for Consumption, there has been a marked decrease in the mortality from this dreaded disease, and it is possible to still further reduce the number of consumplives. How? By keeping constantly on hand a bottle of Dr. King's New Discovery and using according to directions, upon the appearance of the first symptoms, such as a Cough, a Cold, a Sore Throat, a Chest, or Sida Pain. Taken thus carly a cure is guaranteed.

A Baptist Minister's Experience.

"I am a Baptist minister, and before I ever thought of being a clergyman I graduated in medicine, but left a lucrative practice for my present profession, forty years ago. I was for many years a sufferer from quinsy. Thomas' Eclectric Oil cured me. I was also troubled with hoarseness, and Thomas' Eclectric Oil aways relieved me. My wife and child had diphtheria, and Thomas' Eclectric Oil cured them, and I taken in time it will cure seven times out of ten. I am confident it is a cure for the most obstimate coid, or cough, and If any one will take a small teaspoon and half fill it with the Oil, and then place the end of the spoon in one nostril and draw the Oil out of the spoon into the head, by sniffing as hard as they can, until the Oil falls over into the throat, and practice it twice a week, I don't care how offensive their head may be, it will clean it out and cure their catarrh. For deafness and earache, it has done wonders to my certain knowledge. It is the only medicine dubbed patent medicine that I have ever feit like recommending, and I am very anxious to see it in every place, for I tell you that I would not be without it in my house for any consideration. I am now suffering with a pain like rheumatism in my right limb, and nothing relieves me like Thomas' Eclectric Oil." Dr. E. F. Crane, Corry, Pa.

WARM WAVES.

WARM WAVES

Are rolling in. You can't escape them; but you can escape the alcepless nights, loss of appetite, and languid feeling that result from draining the nervous force by muscular or mental exertion in summer's torrid days. The use of Paine's Celery Compound, that great nerve tonic, will at once strengthen the nervous system, and fortify it against the attacks of summer debility. This preparation is a medicine—not a drink. It is a scientific combination of the best tonics, giving lasting benefit to body and brain. It cures all nervous diseases, and has brought new life and health to thousands whose weakened nerves were the cause of their many ills. It is especially valuable at this season, when feeble persons are so liable to sunstroke, a disease which is nearly always fatal. Paine's Celery Compound, by restoring perfect health, almost entirely removes the liability to this dread disease. If you feel the effects of summer's heat, you can't afford to delay another day before gaining the vitality only obtained by this great medicine. Sold by Draggists. Six for \$5.00.

THE OLD DOCTORS

Drew blood, modern doctors cleanse it; hence the increased demand for Alteratives. It is now well known that most diseases are due, not to over-abundance, but to impurity of the Blood; and it is equally well attested that no blood medicine is to effoscious as Ayer's Sar-saparilla.

"One of my children had a large sore break out on the leg. We applied simple remedies, for a while, thinking the sore would showly heal. But it grew worse. We sought medical advice, and were told that an alterative medi-cine was necessary. Ayer's Sarsaparilla being
