## FOR OLD PEOPLE!

In old people the nervous system is weakened, and that must be strengthened. One of the most prominent medical writers of the day, in speaking of the prevalence of rheumatic troubles among the aged, says: "The various pains, rheumatic or other, which old people eften completely of, and which materially disturb their comfort, result from disordered nerves." There it is in a nut shell—the medicine for old people must be a nerve toole. Old people are beest with constipation, flatulency, drowshess, diarrhous, indigestion, rheumatism, neuralgia. These discussions are of nervous origin. Paine's Celery compound, that great nerve toole, is almost a specific in these disorders, and by its regulating influence on the liver, bowels and kidneys, removes the disorders peculiar to old age. Old people find it attimulating to the vital powers, productive of appetite, and a promoter of digestion.

Bold by druggists. \$1.00. Six for \$5.00. Send for eight-page paper, with many testimonials from nervous, debilitated, and aged people, who bless I'aine's Celery Compound.
