The barn erected is 46 feet wide and 91 feet long and 30,000 feet of lumber were used on the frame of the barn. Fulton Opera House's Opening Fulton opera house opened for the season on Saturday evening. The newspapers last week contained lengthy descriptions of the improvements made to the building during the summer, and many people were anxious to see them. Nearly every seat was occupled, and the audience put in a great desi of their time inspecting the now really handsome place of amusement. "Our Jonathan," produced by "Yaukee" Moore and company, has been given here trequently. It was announced that the piece was recently re-written, but there was no pronounced improvement over the original oticed by anyone on Saturday evening During the play "Yankee" Moore said he was treated gentlemanly upon his former visits, but the present management did not scoord him such treatment. The audience were surprised at his announcement, and various were the speculations as to what the trouble was between the troups and the opera house manager.

CAUSED BY A LOOSE TRUCK, serious Wreck on the rennsylvania Rall-road Near Wayne.

About I o'clock this morning there was a

bed wreck on the Pennsylvania ratiroad at train parted near the middle and the rear portion of the train came crashing in upon the forward portion, wrecking a dozen of cars and blocking all the tracks. The wreck took fire and eight or ten of the cars were burned. All trains were delayed. The News Express, west, the Philadelphia Ex-press and the Fast Line, east, had to go around by the way of Pacenixville. The News Express was two hours late to reaching Lancaster. At 8 o'clock this morning one of the tracks at Wayne was cleared and the wreckers were hard at work clearing the others. No one was hurt by the soci

PHILADELPHIA, Aug. 27 .- At an early hour this morning a serious accident oc-curred on the east-bound track of the Pennsylvania railroad, main line, by which ten ears, loaded with crude oil, were totally destroyed by fire, and two tramps who were stealing a ride were so seriously burned that one at least will probably die, while the other will be disfigured for life.

The accident occurred a short distance east of Wayne station and was caused by s truck under one of the oil cars being loose and chafing against the body of the car until it created a blaze, which at once enveloped the oil tank cars and spread to the other cars of the train. Travel on the east-bound tracks was de

layed several hours, but west-bound trains were not seriously interfered with.

A Rich Nickel Find. The people of Russell Springs, Logan county, Kansas, are very much excited over the discovery of a very rich deposit of nickel which was made last week. A number of claims have been staked out and there is a general rush to that point. Two prospectors, Jerome Coldren and Cilnton Phelis, made the discovery. They had been prospecting in Logan county since April last, and knew from the start that minerals of some kind were to be found here. In their search they came across fron, sliver, and coal but were finally rewarded by finding this inexhaustible mine of nickel. It is in what is termed a mine of nickel. It is in what is termed a blanket lodge, eropping out all along the gulch, and so situated that it can be worked from the surface. No shafts will have to be sunk and the cost of mining will be merely nominal. As soon as they made the discovery they sent specimens to assaying efficers in Danver, Kansas City, Topaka, to the Ubited States mint in Philadeiphis, and to a sayers in other cities. The assays run from 5 to 25 per cent. pure nickel. Nickel is worth file per ounce, and thus Nokel is worth \$10 per cente, and thus it will be seen that at the lowest estimate, this deposit is worth \$7,000 per ton. The two prospectors have been effect \$60,000 for their find.

Derr and George Youum, brokers, were arrested here to day on the charge of conspiracy with Henry Marshall, the defaulting postmester was sworn out by Postal Inspector O'Leary of Philadelphia, and was served by Deputy United States Marshal Myers. Postmaster Marshal, it is alleged, dealt in stocks on forged money orders, through which the government lost money. Messrs Derr and Yocum deny all knowledge of the crooked operations of Marshall. Preached in Old Trinty. Rev. Dr. Charles S. Albert, of Baltimore, preached in Trinity Lutheran church on sunday morning before a large congregation. His subject was the "Atonement." He had charge of Grace and Uhrist " missions," both of which have grown into prosperous churches since his time. The reverend doctor has been spending his summer

vacation in the White mountains. Waived a Hearing. John Smith, Jr., of Bainbridge, charged by S.S. Stelly, one of the township supervisors, with maintaining a nulsance, waived a hearing at Alderman Halbach's office, and gave ball, for trial at the November court, in the sum of \$300.

THE TALK ABOUT THE CASH PRICES OF THE Original and Only Cash Grocery

DUKE AND VINE STREETS. One Square South of the Court House.

Continues as much as ever. The fact is, paying cash for anything saves, or at least ought to save the purchaser money. If you deat at a Cash store it will save you money, but if you pay cash where go ds are sold on credit you will, as a matter of course, pay credit prices, even though you do pay cash. cash.

Is that fair? Is it right that he who pays cash should pay the same as the one who pays once a month, once a year, or not at all?

At the Original and only Cash Grocery every customer is placed on the same level—one price and one system—the Cash—for all. It is evident, therefore, that all get their goods at the lowest figure

DONGOLA.

This style of finishing leather for ladies boots has become deservedly popular. It pos-sesses qualities not to be found in the ordinary kid fluished uppers. The bright and dull finished Dongola uppers do not turn red or purple with wear; they are soft and pliable as well as tough and durable; easy for the feet, without being so elastic as to lose the Porfect Fit so desirable in Ladles' Boots.

GENUINE DONGOLA

is nearly Waterproof, which is a feature very desirable in Ladies' Boots for street wear. We keep in stock a large assortment of I adies' Dongola Boots in all the new and pop-ular styles. They have been thoroughly tested, and we recommend them as First-Class in every particular. Ladies' Lace Dongola Boots, Patent Leather Tips, \$1.65. Ladies' Flexible Fole Bright Dongola Button
