Iron Wests Secure.

The Viaduct iron mills, in Contenville, which have been idle for seven months, have reammed operations. They were recently purebased at aberif's sale by Worth Brothers, who have other large iron mills in Contenville. The mills give employment to upward of three hundred persons and this resumption is halled with delight. It is understood a new company being formed will also start up the Laurel iron works soon. They give employment to about two hundred and fifty pyrnons.

Men and Women's Bones,

Joints and muscles may escape the agonising tortures of rheumatism if they will but "take time by the forelock," and annihilate the symptoms of oncoming trouble with the benignant and highly sanctioned blood depurent and alterative, Hostetter's Stomach Bitters. Poisons mostly constitute the ordinary means of battling with this atrocious complaint. Avoid the risk of using these by resorting to the safe as well as effectual anti-philicostic and preventive. After exposure to damp, through drafts and other causes which encourage a rheumatic tendency, a wineglassful of the Bitters prevents ill effects. No sure preventive of malarial ailments like fever and ague, billous remittent, dumb ague and ague cake exists, and it is, besides, a most genial recuperator of strength exhausted by excessive mental or physical effort. Miners, mariners, operatives and others whose avocations involve laborious work in rough weather out of doors, or close application indoors, find its invaluable.

I have been sfilicted with hay fever from early in August until irest. My eyes would run a stream of water and I sreezed continually. I was advised to use Ely's Gream Balm. It has worked like a charm and I can say I am entirely cured.—Mrs. Emeline Johnson, Chester, Conn.

I have been for saveral years a sufferer from hay fever and severe head colds. I have found nothing that can compare with Ely's Oream Balm. I would not be without it for any consideration. It is simply wonderful in its effect upon the nasal organs.—3. A Furtt, Wilmington, N. C.

Reducing the Surplus.

Heaucing the Surplus.

The disposition of the surplus in the U. S. treasury engages the attention of our statesmen, but a more vital question has our attention, and that is the reduction of the Surplus Consumptives. Since the discovery and introduction of Dr. Ring's New Discovery for Consumption, there has been a marked decrease in the mortality from this dreaded disease, and it is possible to still further reduce the number of consumptives. How? By keeping constantly on hand a bottle of Dr. King's New Discovery and using according to directions, upon the appearance of the first symptoms, such as a Cough, a Cold, a Sore Throat, a Chest, or Side Pain. Taken thus early a cure is guaranteed.
