

A MARIETTA FARMER'S INTENTION. He Was Always a Republican, But He Will Vote For "Stump" Johnson.

Mr. George Miles, one of the largest land owners of Washington county, Md., and one of its most successful farmers, whose home is in Clear Spring, and who has voted the Republican ticket since the organization of that party, has declared his intention to vote for Johnson and tariff reform, and gives the following reasons for doing so.

He said: "My departure from the Republican party is not sudden. For some years past I have been gradually coming to be dissatisfied by laws made to increase the price of every thing he buys without any compensation or increase of value for the consumer."

"Of course all this is good, noble and unselfish, in one sense, but in view of the many land mortgage companies which are advertised in almost every newspaper, it appears in another sense questionable and at times even doubtful whether we should encourage enterprises and industries which place millions of dollars in farm mortgages at 7 and 8 per cent, without losing a dollar, as these companies encourage, report still, viewing the fact that this has been going on for 25 years, the time has come, in my opinion, for our infant industries to make a step of 5 per cent towards self support, in order that the farmer and his wife may be sufficiently relieved from the burden of debt to become acquainted with each other before they die. It might be desirable to have a policy of military support the dignity of the country in regard to the tariff, but it seems to me equally desirable to have in the distribution of wealth enough money remain among the middle and lower classes to support the dignity of labor and respectability at home."

Men and Women's Bones, Joints and muscles may escape the agonizing tortures of rheumatism if they will but "take time by the forelock," and annihilate the symptoms of aching trouble with the benignant and highly-sanctified blood purifier and alterative, Dr. Schenck's Blood Purifier.

Dr. Schenck's last lecture on weak, nervous blood poison and debilitated men sent free of charge. Address, Dr. Schenck, No. 128 North 4th street, Philadelphia, Pa. 1736-M, W. 1874-d

CONSTITUTIONAL CATARRH. No single disease has entailed more suffering or hastened the breaking up of the constitution than Catarrh. The sense of smell, of taste, of sight, of hearing, the human voice, the mind, one or more, and sometimes all, yield to its destructive influence.
