The Coal Oil Can Exploded.

On Thursday Mrs. Mary Schaeffer, aged 36 years, of Lebanon, tried to kindle a fire with coal oil. The can containing the oil exploded, setting the house on fire. Every limb of her body was frightfully burned, and she also inhaled the flames, which caused her death. Nearly all of the inner portion of the building was burned, leaving nothing but the outside walls, although the furniture was mostly saved. Jacob Wolf's house, adjoining, was also badly damaged.

Gave His Life for Another.

Patrick Tracey, baggage-master at the Hyde Park (Mass.) station, of the Old Colony railroad, was struck and instantly killed by a passing train on Thursday. He was attempting to save the life of Mrs. Young, aged 60, of Sharon, who had fallen upon the track, and he had partially succeeded in pulling her from the track when he was struck by the engine. Mrs. Young's left foot was cut off and her left arm broken, and she is believed to be fatally injured.

Murdered for His Money.

At Scottsburg, Indiana, Thursday morning, Conrad Storts, agent for a Louisville brewery, was found murdered in his room at a hotel. Storts went there on Wednesday night with the intention of buying a large piece of property, and had considerable money. His throat was cut from ear to ear. The bed clothing and furniture showed evidence of a struggle.

Why Incur Torture?

By disregarding cleanliness of the teeth and thus encouraging their decay, when SOZODONT, which is delightful to use, prevents the possibility of toothache, by keeping the teeth in health. No one who has not used this popular article can form an adequate idea of how much improvement defective teeth are susceptible. SOZODONT is infinitely to be preferred to abrading tooth powders. It preserves the teeth, not scratches the enamel.

A Watch is the most delicate and intricate piece of mechanism made by man, and the one that receives the least attention. Your steam engine, your wagon receives more.

It is an established fact that there are more Watches ruined by the average Watch Repairer than by the Watch Carrier.
