HER TERROR. the's such a timid little meld
(Although we all think she's a d. lay)
That of her shadow she's arraid
And thunder showers just drive her orany.

he draws the shades down, shuts the blinds and lights the gas to hide the flasher.
Then on the feather bed she finds a refuge while the thunder crasher.

I laugh at her, as brothers will, And try my best to make her braver, But she implores me to be still And then implores the Lord to save her.

And every time there comes a crash,
This one thing fills me full of wonder.
Ste doesn't fear the lightning's I sah,
The thing that seares her is too thunder.

Eat With Comfort and be Happy. It is by no means uncertain, but, on the contrary, a well ascertained fact, that upon the well being of man's stomach depends that modicam of happiness which is vouchsafed to him in this world. Dyspepsia, the foe of all others to the stomach's tranquility, and most to be dreaded, is a complaint to the prelimito be dreaded, is a complaint to the prelimi-nary relief and eventual cure of which Hos-tetter's Stomach Bitters is specially adapted. It enables those who use it with a reasonable degree of persistence to eat with relish, because it imparts a healthful appetite; to digest with ease, because it strengthens the stomach; and to assimilate the food which is eaten and digested, thus benefitting health, promoting fiesh and sustaining the exercise of the phy-sical and mental faculties. It, moreover, facilitates the secretion of healthy bile, actu-ates without discomfort the habit of body, and teads, when taken upon retiring, to produce healthy slumber. Malaria is conquered by it.

The Population of Lancaster

Is about thirty thousand, and we would
say at least one-half are troubled with some
affection of the Throat and Lungs, as those
complaints are, according to statistics, more
numerous than others. We would advise all
not to neglect the opportunity to call on their
druggist and ge: a bottle of Kemp's Raisam

HOOD'S BARSAPARILLA.

Almost a Wreck

It is often the case that a person gets into a run down condition, the cause of which it is almost impossible to determine. From a weak-ened system and impure blood, more and more serious disorders appear, until the constitution breaks down and some definite powerful disease gains a firm hold. When that ired feeling comes on it should be overcome at any cost: Hood's Sarasparilia should be taken to revive the deciting powers, restore the appears revive the declining powers, restore the appe-tite and vitalize the blood. "I feel it my duty to tell what I think of

Hood's Sarsaparilla I was in a very poor state of health for several months; for four weeks I was unable to work, and nothing seemed to be what I needed. My spp-tite was poor, I could not sleep, had head-ache a great desi, pains in the small of the back, my bowels did not move regularly. Why! I seemed almost a complete wreck. In this condition I began to take Hood's Sarsaparilla and in a short time it did me so much good that I feel.

Like a New Man

I can't be-in to tell all the good it did me. My pains and aches are relieved, my eppetite improved. Had I realized how much good a single bottle of Hood's Sarsaparilia would do me, I would gladly have paid ten dollars for it. I say to others who need a good medicine, try Hood's Sarsaparilla and see." Gronge F. Jackow, Boxbury Station, Conn.

THE "PERFECTION" ETAL MOULDING & BURBER CUSRION WEATHER STRIP

Beats them all. This strip outwers all others.
Reeps out the cold. Stop rattling of windows.
Exclude the dust. Reep out snow and rate.
Anyone can apply it—no waste or dirt made
in applying it. Can be fitted anywhere—selholes to bore, ready for use. It will not spiti,
warp or shrink—a coshion strip is the most
perfect. At the Stove, Heater and Range
