

THE DAYTON HEDGE FENCE.

A PARTY INSPECTS IT UPON THE FARM OF COL. HILDROP, AT HARRISBURG.

The Dayton Hedge Fence Company, the pioneer in its line, has not only built more hedge fences than any other in the country, but has so greatly improved the manner of their construction that their orange and red barbed-wire fence looks more like the old-fashioned hedge fence than chalk looks like cheese.

Mr. A. R. Graham, the general agent of the hedge company, organized a company of Lancaster county farmers and others and took them to Harrisburg to show them a specimen of the hedge and wire fence on a mile of Col. Hildrop's handsome farm located a mile or two out of Harrisburg.

After regaling at the Russ house the party took carriages and drove out to the Hildrop farm, which is in an admirable state of cultivation and is beautified by several hundred rods of hedge fence, grown and trimmed under the old-fashioned method.

Some of the canes are as thick as a man's arm; they are six feet high and spread at the top in the form of a fan, six feet; and at various places along the hedge are openings through which a full grown hog could pass.

On the opposite side of the road is a hedge, which until last spring was of the same height and spread, but now it is a mass of barbed-wire, driven at short intervals into the growing canes.

They next took the Day Express and arrived in Lancaster at 4:45.

OUTCOURA REMEDIES.

NOT A PIMPLE ON HIS FACE.

Had With Eruptions—Threats His Hair Would Never Grow—Cured by Cuticura Remedies—Hair splendid and No Pimple on His Face.

I cannot say enough in praise of the CUTICURA Remedies. My boy, who is now 10 years of age, was born with eruptions on his face, which the doctors said would never clear up, but his hair never grew, and he was a miserable-looking child. I began using Cuticura Remedies, and in a few days his hair is now splendid and there is not a pimple on his face. I recommend the CUTICURA Remedies to mothers as the most speedy, economical and sure cure for all skin diseases of infants and children, and for that every mother who has an afflicted child will thank me for this.

My mother-in-law, Mrs. M. E. WOODS, Norway, Me., writes: "I have used your Cuticura Remedies for a few years, and I can say that they are the best I ever used for all skin diseases of infants and children, and for that every mother who has an afflicted child will thank me for this."

From Pimples to Scrofula Cured. CUTICURA, the great skin cure, and CUTICURA SOAP prepared from it, externally and internally, are a positive cure for every form of skin and blood disease, from pimples to scrofula.

Several Scalp Diseases Cured. A few weeks ago my wife suffered very much from a disease of the scalp, and received no relief from the various remedies she used until she tried CUTICURA. She promptly procured it, and in a short time she was entirely well. Her hair is now growing again, and she is as healthy as ever.

CRAIG'S GOLDEN TONIC.

WHAT IS CRAIG'S GOLDEN TONIC?

It is a purely vegetable medicine, containing no mercury, opium or other injurious drugs. It is compounded by an entirely new and improved process, whereby each ingredient is thoroughly extracted and properly combined.

WHAT DOES IT DO? CRAIG'S GOLDEN TONIC is a thorough purifier of the blood and renovator of the system, and is designed for diseases arising from an impure, weak or impoverished state of the blood or from debility of the digestive organs. It is not a cure-all, but positively does cure Dyspepsia, PROVE IT.

Craig's Golden Tonic Company—Philadelphia, Pa. The one dollar I paid for a bottle of Craig's Golden Tonic has done more for me than the hundreds I have paid physicians, and for other medicine. For twelve years I have suffered with dyspepsia in its worst stages. I've had that old feeling over and over, with sharp pain in the side, in the region of the heart, which increased with every movement of the body, at times making work so impossible. I was compelled to take vegetable medicine, but it only gave me a temporary relief. Since taking your Tonic all pains have left me, my bowels have been regular, I have regained my appetite, and feel like a new man. I feel like working, for the first time in years. I have given my wife a bottle, and she feels like a new woman. I now with another bottle, that every vestige of dyspepsia will be driven from my system. Yours truly, H. S. LAMON, No. 1201 North Street, Philadelphia.

For sale by all Druggists. Don't run the risk of using so-called Tonics or Bitters that may contain POISON, but insist upon getting the only genuine CRAIG'S GOLDEN TONIC. If your Druggist does not keep it send to SAMUEL CLARKE, Wholesale Agent for Lancaster County, 12 and 14 SOUTH QUEEN STREET.
