

MORMON CHURCH RECORDED.

The supreme court of Utah has entered final judgment and decree in the case of the United States against the Mormon church which was pending to dissolve the church corporation and have its property declared escheated to the government.

Particulars of the corporation of the church dissolved, asserting that voluntary religious sect now in existence has no right to the corporate property except the Temple and the building, which are set aside to it; denies the intervention of a large number of individuals claiming the property; orders real estate of the corporation to be sold by the receiver until the information for the foreclosure for the same is brought by the government to conclusion, and all the personal property of the last corporation has become escheated to the government.

"Diseases, dependent on, by deperate appliances are relieved, or not at all. The point of wisdom is to check them before they reach so far by the use of Sarsaparilla. It cures, it cures, it cures."

Conspiracies no longer should be formed that can be broken up by the law. The law should be bought and used according to the directions.

SPECIAL NOTICES.

Get to Hear It. For several months I suffered a dull pain through my lungs and my bowels; lost my appetite, and could not do my daily work. I was told to try Ayer's Sarsaparilla, and I have only used it a few days, but I feel better than I have for months.

Mr. George Dodge speaks. This gentleman lives in Farnham, Pa., and says, "One of my men, Sam Lewis, while working in the woods sprained his ankle so bad he could hardly hobble to the house. I bought a bottle of Ayer's Sarsaparilla, and I have only used it a few days, but I feel better than I have for months."

Mr. D. W. Hoxson, of Horse Cave, Ky., adds a like testimony. He says, "I was very low, and my wife had died, and I had not been cured of my ailments.
