ABOUT GLORIAS.

ABOUT GLORIAS.

It has been some time since we have advertised the Gioria Cloth Umbrelia.

True-Spit is; and the reason ites just here. When Gioria Cloth was first introduced it was made To WEAR; but when it became popular, the umbrelia nen made it a leader and consequently the prices on it were "cot" from time to time, and to meet this it was necessary to make poorer cloth 7 his the units were not slow in doing, and the goods have deteriorated to such an extent that the great bulk of it is not much better than fine helve-tia.

There is still some fine Gleria made, but it is not cheap. The best made has what we call a "tape (dge" which requires no hemming. Instead of cheap Glorias, we recommend Union Silks, of which we'd tell you more some

other time.

11's surprising how fast we sell those Gold and Suver Capped Helvetias, at \$1.50.

We've got it. Come and see.
