DO YOU WISH TO SAVE MONEY?

### THE TARIFF OFF.

In these days of tariff argument we wish to say a word on so interesting a subject. To reduce first cost is the object of every one, by their theory free trade or Protection. Especially is this so on wearing apparel. We favor the policy that protest your pocketbook. If you can save a dollar or two on your winter clock it means just that much more you have to spend for if you will look over our Price List and then come and look at our garments, we believe you will see the point we are trying to make, that we have taken the tariff off and at the same time given you the highest form of protection.
