SPEAKS FOR ITSELF. Our Work Speaks for Itself!

It is easy to promise something good and yet deceive people. Many merchants make wild promises, which you find they cannot fulfill. We do not deceive, but let our work speak for itself. We have had many years experience in the shoe business, and can fill your wants better than most persons who have not had that experience.

We manufacture largely and give all that we promise. We also keep a full line of Ready-Made Shoes and can suit almost all tastes.

Respectfully yours, WM. H. GAST.
