r. Webster Bays He Will Call Those Wh Word Participators in the Alleged Outrages to Testiff-What They Will Disclose-The Commission Adjourns.

LONDON, Ost 26 -Sir Richard Webster tinued his address before the Parnell on to-day. In his remarks attorney general intimated that with the violent oration delivered by members of the National League in county Clare during the years 1885, 1886 and 1887. At this point Sir James Hannen, the presiding judge, asked Bir Richard if he did not think that he had already sufficiently indicated the line of argument which he intended to Sir Richard replied that he deal with all those counties which had been picked out as affording the most striking proof of the character of the League's agitation. He however understood Bir James' hint, and was desirous of adopting any practical sug-gestion which might assist him in shortening his remarks.

The attorney general has finished his address on behalf of the Times. In his concluding remarks he asserted that the witnesses which he proposed to call in support of his case would be persons who had been actual participators in outrages. Taey would tell the commission what monies had been paid them for their share of the work, and how the crimes had been arranged. The commission then adjourned until Tuesday. President Evans was not requested to call a meeting and select council will not be in session. Under the new municipal law each branch of councils may hold special meetings, but any action taken by common council will not be final until concurred in by the select branch. Nothing will be gained by common council meeting to-night.

The Democratic Clubs.

The Democratic Clubs.

The big parade of the York Democracy will be held on Friday evening, November 21, and it is altogether likely that many Lancaster people will go over. A rate of 70 cents for the round trip can be secured for 500 people or over. The Sixth ward will hold a meeting this evening to make arrangements for the trip, and it is likely that the Eighth ward will go.

All citizens, not members of equipped clubs and wishing to participate in the Democratic parade at York on Friday evening, November 2, will meet for consultation at the Young Men's Democratic rooms on Saturday, Ostober 27, at 8 o'clock.

on Saturday, Ostober 27, at 8 o'clock.

At a meeting of the Eighth Ward Battalion held last evening, the nomination of Dr. Westhaeffer for the legislature was unanimously endorsed.

" Mardo, the Hunter."

"Mardo, the Hunter."

The Republican parade of last evening had a bad effect on business at Fulton opera house. Frank I. Frayne, one of the pioneers in blood-curdling dramay, appeared in "Mardo, the Hunter." There was scarcely anybody in the lower part of the house, but there was quite a number in the gallery. The play seemed to please the audience. Several dogs and a lion were introduced in the plece.

Complaint has been made at the station house that the sewer at Hazel and Prince streets is clogged shut with dirt. The water has been running into cellars of people in the neighborhood, and there is talk of bringing suits against the city for damages.

Marder la the First Degree. Marderer Thomas J. Cole, who brutally hacked Walter G. McAllister with a hatchet while his victim was asleep last July at their boarding house in Philadelphia, was on Thursday found guilty of murder in the first degree.

Our Work Fpeaks for Itself! It is easy to promise something good and yet deceive people. Many merchants make wild promises, which you find they cannot fulfill. We do not deceive, but let our work speak for itself. We have had many years experience in the shoe business, and can fill your wants better than most persons who have not had that experience.

We manufacture largely and give all that we promise. We also keep a juil line of Ready-Made Shoes and can suit almost all tastes.

Times have changed greatly. High prices are a thing of the past. Everyone must conform with the times. We have conformed long ago. It's hardly credible, but neverthe'esa true, that we make you a suit to order (that will fit you perfectly) at the price you pay others for ready-made Clothing. There are many advantages in having your suits made to order : the most important is that the garments are much better made.
