Scalded to Death.

COLUMBIA, Oct. 27.—On Thursday evening Mary Jane Nissley, a two-year-old daughter of Samuel Nissley, a farmer living on the Marietta pike, near town, met her death in a terrible manner. A boiler of hot water had been taken from the stove and placed on the floor. The child was playing about the room and walking backwards fell into the boiler. Before the child was removed it was frightfully scalded and lingered in terrible agony until Friday afternoon. The funeral will be held on Sunday afternoon at 3 o'clock.

Injured at the Umbrella Factory.

Joseph Bresh, who is employed at Rose Brothers & Hartman's umbrella factory, on Mulberry street, met with an accident last evening. He had crawled under a bench to get a box and his foot slipped into the opening for the belting. His leg was caught between the belting and pulley and a long and very ugly gash was cut in it. He was taken to his home, No. 113 Church street, and Dr. Hess attended him.

The National Equal Rights' party and Belva Lockwood are in a dilemma. Belva is still at the head of the ticket, but Alfred H. Love, of Philadelphia, the party's nominee for the vice presidency, last night sent out a letter declining the nomination, thus leaving Belva in the lurch. He did not give expression to his opinion as to who the next candidate should be.

A Fine Display.

In passing the establishment of Mr. J. Harry Stamm, (the Centre Square Dry Goods Merchant), we could not resist the temptation to take a peep at the two beautifully arranged show windows which are attracting passers-by. The East Window is most gorgeously arranged with Silk Plushes, Fine Dress Plaids and Silk Trimmings. The West Window is arranged with Fine Imported Broadcloths, trimmed off with newest styles Braids and Gimps, making in all a most attractive display, and they reflect good credit to the enterprise and good taste displayed at Mr. J. Harry Stamm's establishment. Go and see them.

The stock market was dull and irregular to-day. At the opening there was a slight display of strength, but after the first call there was considerable hammering, under which prices weakened. Just before noon the bank statement was published, which was very unfavorable, showing a decrease in the reserves of $1,302,025. This added to the weakness, and at noon, the closing hour, prices were down ¼ to ¾ per cent. from those of last evening.

R. B. & H.
ABOUT GLORIAS.
It has been some time since we have advertised the Gloria Cloth Umbrella.
True—So it is; and the reason lies just here. When Gloria Cloth was first introduced it was made TO WEAR; but when it became popular, the umbrella men made it a leader and consequently the prices on it were "cut" from time to time, and to meet this it was necessary to make poorer cloth. This the mills were not slow in doing, and the goods have deteriorated to such an extent that the great bulk of it is not much better than fine Helvetia.
There is still some fine Gloria made, but it is not cheap. The best made has what we call a "tape edge" which requires no hemming.
Instead of cheap Glorias, we recommend Union Silks, of which we'll tell you more some other time.
It's surprising how fast we sell those Gold and Silver Capped Helvetias, at $1.50.
How ready people are to appreciate a good thing for little money.
We've got it. Come and see.
