Mechanic's Lion Act Docisred Unce

In the supreme court on Tuesday was will nessed the unusual speciacie of the supreme bench without the formality of a written per curism cutting a nort the argument of the case of H. C. Gearing va. John E. Hapgood and H. L. Moleam by an opinion verbally handed down.

H. C. Gearing, a lumber merohant, filed a mechanic's lien against John E. Hapgood cowner or reputed owner, and H. L. McLean, contractor, to recover a claim of \$708.92, for lumber, &c., furnished. A sol. in wes issued on this mechanic's lien and duly served on the defendant. The court below struck off the lien because of the non-constitutionality of the act of 1887, under which the lien was fited. During the course of the argument the attorney for the defendant proceeded to maintain that the sot of 1887 was unconstitutional, Judge Paxeon left his seat and went to each of his brothers and entered into a whispered consultation with them. He returned to his seat and Chief Justice Gordon seked if there was any other question but that of unconstitutionality involved.

Naid the attorney: "We maintain that the act of 1887 is unconstitutional."

Justice Gordon—We have so decided.

the act of 1887 is unconstitutional."

Justice Gordon—We have so decided.

Attorney—I was not aware that this court has so decided.

Justice Gordon—Well, we have not yet so decided, but we decide so right now.

A Return to Duty.

This is always desirable, and the speedier it takes place the better. Doubly welcome is it in the case of those usually industrious little organs, the kidneys, which, when they go on a strike—so to speak—and drop work, seriously imperil health in more than one way. First and foremost, their inaction begets their disease, which is hydra-headed, including such dangerous maladies as Bright's disease and diabetes. Next, when inactive they fail to assist in removing from the blood impurities that beget rheamotism, gout and dropsy. Third, their inaction weakens the bladder. All this is preventable and remediable by the pleasent promoter of organic action, Hostetter's Stomach Bitters, at once a tonic and a regulater. This gently but effectually impels the kidneys to return to duty, and strengthens them and the bladder. Upon the bowels stomach and liver it likewise exerts a regulating and invigorating influence, and it strengthens the system, and averts and remedies malaria and rheumatism. A Return to Duty.

"If a woman will, she will." If she will take Dr. Bull's Cough Syrup for her cold, ste will be cured.

Take good advice.—I have suffered with bad headaches for years, and have tried many remedies without obtaining relief. I was adviced to give Salvation Oil a trial, and it has entirely cured ma.

Catarrhal Dangers.

To be freed from the dangers of sufficiation while lying down; to breathe freely, sleep soundly and undisturbed; to rise refreshed, head clear, brain active and free from pain or ache; to know that no poisonous, putrid matter deflies the breath and rots away the delicate machinery of smell, taste and hearing; to feel that the system does not, through its veins and arteries, suck up the poison that is sure to undermine and destroy, is indeed a blessing beyond all other human enjoyments. To purchase immunity from such a rate should be the object of all afficted. But those who have tried many remedies and physicians despair of relief or cure.

Sanyond's Madical Cure meets every phase of Catarrh, from a simple head cold to the most loathsome and destructive stages. It is local and constitutional. Instantin relieving, permanent ir curing, safe, economical and never-failing.
