Mesers. Raymond & Whiteomb's California

The many advantages presented by the California Winter Trips managed by Messrs. Esymond & Whitcomb have made these tours exceedingly popular. To begin with, they afford the passenger every possible latitude in selecting his route to and from Cattlorais, his time and place of sejourn on the Pacific Coat and the time of his return. He can cover cvery day of his stay with hotel coupoes, good at any of the leading resorts, or wander about at his own pleasure. When he is ready to return, he may either travel with a party on a special trail, or go independently. His expenses are, in any case, already paid, and the penses are, in any case, already paid, and the "little red ticket-books" will be found a pass-port to the best that can be had on railways-and at hotels. All the parties travel in special trains of magnificent vestibuled paince care, a palace dining car being included. Meals are thus bosured at regular hours regardless of time place and circumstance. gardiess of time, place and circumstance. It will be seen at once that the patrons of these trips secure many special comforts and avoid many annoyances inseparable from ordinary travel. The same may be gaid of the Mexico tours, of which there are to be three this season January 14 being the date of departure of the first. California parties will leave Philadelphia December 6 and January 7 and 10. De. scriptive circulars of the California or Mexico Idios may be obtained of Newson co trips may be obtained of Raymond & Whit-comb.lll South Ninth street, ander the Con tinental hotel, Philadelphia.
