THE MILLER AND THE MILL.

Once a jolly miller had a mill, mill, mill;
Every one was pleased to fill his till, till till.
The grain went in the hopper,
The stone went whirling round,
And a chorus from the miller
Would through the mill resound:
He'o, he, and a heigh-ho, heigh.
There are plenty others for to grind
With the water that goes by.

The miller did not murmur and sigh, sigh, sigh,
Because a little water went by, by, by.
But hoping up the hopper
High with the yellow grain,
His soul went out in music
In this glad refrain:
He'o, he, and a heigh-ho, heigh,
There are plenty others for to grind
With the water that goes by.

A lesson from the miller and his mill, mill, mill,
If fortune has been heaping in your till, till till,
If you do have a fortune
To meet you at your birth,
When old enough to know it,
Don't scramble for the earth:
He'o, he, and a heigh-ho, heigh,
There are plenty others for to grind
With the water that goes by.

AIDS TO AGRICULTURE.

The Bureau of Correspondence and Its Functions.

The new bureau of the agricultural department authorized to be established at the last session of Congress, and known as the bureau of correspondence, with agricultural stations, has been assigned quarters in the east end of the department building, and has begun work under the direction of Professor W. O. Atwater.

It is the intention to supply the agricultural experimental stations with all obtainable information concerning the investigations they may be making. Bulletins will be published setting out the results of agricultural experiments in this country and abroad, which will be distributed among the stations. A special library will be assembled which may be drawn upon by stations not able to meet the expense of maintaining their own libraries.

A feature of the work will be to engage the ablest specialists in this country and Europe to compile articles on subjects about which information may be required. As it often happens that the persons conducting the stations are not able to read publications in foreign languages relating to agricultural matters, the bureau will also undertake to have translations made of such papers, and these will be republished for general distribution whenever the importance of the subject seems to warrant the expense. Still another function will be to supply Congress with information that may be found necessary to aid it in legislating upon agricultural matters.

Some Foolish People

Allow a cough to run until it gets beyond the reach of medicine. They often say, "Oh, it will wear away," but in most cases it wears them away. Could they be induced to try the successful medicine called Kemp's Balsam, which we sell on a positive guarantee to cure, they would immediately see the excellent effect after taking the first dose. CUTICURA REMEDIES.

SCRATCHED 28 YEARS.

A Scaly, Itching, Skin Disease With Endless Suffering Cured by Cuticura Remedies.

If I had known of the CUTICURA REMEDIES twenty-eight years ago it would have saved me $250.00 (two hundred dollars) and an immense amount of suffering. My disease (Psoriasis) commenced on my head in a spot not larger than a cent. It spread rapidly all over my body and got under my nails. The scales would drop off of me all the time, and my suffering was endless, and without relief. One thousand dollars would not tempt me to have this disease over again. I am a poor man, but feel rich to be relieved of what some of the doctors said was leprosy, some ring-worm, psoriasis, etc. I took....and....Sarsaparilla over one year and a half, but no cure. I cannot praise the Cuticura Remedies too much. They have made my skin as clear and free as a baby's. All I used of them was three boxes of Cuticura, and three bottles of Cuticura Resolvent, and two cakes of Cuticura Soap. If you had been here and said you would have cured me for $250.00 you would have had the money. I looked like the picture in your book of Psoriasis (picture number two, "How to Cure Skin Diseases,") but now I am as clear as any person ever was. Through force of habit I rub my hands over my arms and legs to scratch once in a while, but to no purpose. I am all well. I scratched twenty-eight years, and it got to be kind of second nature to me. I thank you a thousand times. Anything more that you went to know write me, or any one who reads this may write to me and I will answer it.

Sneezing Catarrh.

The distressing sneeze, sneeze, sneeze, the acrid, watery discharges from the eyes and nose, the painful inflammation extending to the throat, the swelling of the mucous lining, causing choking sensations, cough, ringing noises in the head and splitting headache,—how familiar these symptoms are to thousands who suffer periodically from head colds or influenza, and who live in ignorance of the fact that a single application of SANFORD'S RADICAL CURE FOR CATARRH will afford *instantaneous relief*

But this treatment in cases of simple Catarrh gives but a faint idea of what this remedy will do in the chronic forms, where the breathing is obstructed by choking, putrid mucous accumulations, the hearing affected, smell and taste gone, throat ulcerated and hacking cough gradually fastening itself upon the debilitated system. Then it is that the marvellous curative power of SANFORD'S RADICAL CURE manifests itself in instantaneous and grateful relief. Cure begins from the first application. It is rapid, radical, permanent, economical, safe.

SANFORD'S RADICAL CURE consists of one bottle of the RADICAL CURE, one box of CATARRHAL SOLVENT, and an IMPROVED INHALER, price, $1.

GOLDEN SPECIFIC.

DRUNKENNESS

—OR THE—

LIQUOR HABIT POSITIVELY CURED BY ADMINISTERING DR. HAINES' GOLDEN SPECIFIC.

It can be given in a cup of coffee or tea without the knowledge of the person taking it; is absolutely harmless, and will effect a permanent and speedy cure, whether the patient is a moderate drinker or an alcoholic wreck. Thousands of drunkards have been made temperate men who have taken Golden Specific in their coffee without their knowledge, and to-day believe they quit drinking of their own free will. IT NEVER FAILS. The system once impregnated with the Specific, it becomes an utter impossibility for the liquor appetite to exist. For sale by
