Er country ways had turned to street,
And long ere we were born,
A led and less would chance to meet,
And drice she'd neglect her task,
The willows bowed to make the brook,
The cownites noticed gay,
And he would look and she would look
And both would look and she would look
And both would look away.
Ye each—and this is so absurd—
Would dream about the other,
And she would never breathe a word
To that good dame, her mother.
Our girls are wiser now.
'I was very quaint, 'twas very strange,
Extremely strange, you must allow.
Doar me! how modes and customs change;
It could not happen now.

Mext day that idle, naughty lase
Would re-arrange her hair,
And ponder long before the glass
Which how she ought to wear;
"Why do you blush like that?"
And seldom ears to dra,
And make her mother frown, and mak,
"Why do you blush like that"?

And now she'd haunt with footstep; slow
That mead with cowslips yellow,
Down which shy'd meta week ago
That stupid, staring fellow.
Our girls are wiser now.
'J was very quaint, 'twas very strange,
Extremely strange, you must allow.
Dear me! how modes and customs change;
It could not happen now.

And as for him, that foolish lad,

And as for him, that foolish lad,
He'd hardly close an eye,
And look so wee-begone and sad,
He'd make his mother cry.
"He goes," she'd say, " from bad to worse!
My boy so bitthe and brave.
Last night I found him writing verse
About a lonely grave!"
And, lo! next day her nerves he'd shock
With laugh and song, and caper;
And there!—she'd find a golden look
Wrapped up in tissue paper.

Wrspped up in tissue paper.
Our boys are wiser now.
'T was very quaint, 'twas very strange.
Extremely strange, you must allow.
Dear me! how modes and customs change!
It could not happen now.

MARRIAGE NOT A PAILURE.

A New View of this Great Question Which shows Here Ladies May Retain the Lave of Their Marbada.

No Woman who is unattractive in person, mind or disposition can hope to interest or hold men. End complexion, dull eyes, a list-less nature never did or can attract mankind. On the other hand how many women with clear chin, beneath which the blood can be seen throbbing with health, bright eyes and life and animation in every movement, make the world a bleasing to their husbands, brothers, lovers or friends. The secret of clear skin, bright eyes and as function is good circulation of the blood. When the blood is slow the person is stupid. Reep the blood moving. But how! There is only one way and that is to help Rature by a gentle stimulant.

Exercise is a splendid stimulant but it is almost impossible for ladies to take the kind of exercise that will produce health and beauty. But the blood must be kept moving, and the discovery which has done more to add health and beauty than any other known cause is Duffy's Pure Mait Whisky. This great remedy stimulates healthily. It is not an intoxicant. Thousands of women who were once thred, dep eased and discourged are now in perfect health and beauty entirely through its use. Many prominent temperance ladies have given it their heatty endorsequent, and elergymen and pricets in every prominent city use and recommend it. Great care should be shown in buying only the genuine, for no o'ber bottled whisky has the wonderful qualities which are peasessed by Duffy's.

When ladies are kept bright and attractive and hasbands are considerate and kind, few marriages will be "fallures."

OUTIQUEA REMEDIES.

SCRATCHED 28 YEARS.

Scaly, Rebing, Skin Disease With Endles Suffering Oured by Cutlours Remedies.

If I had known of the CUTICURA REMEDIES twenty-eight years ago it would have saved me sizeno (two hundred dollars) and an immense amount of suffering. My disease (Proriasis) commenced on my head in a spot net larger than a cent. It spread rankly all over my body and got under my nells. The scale; would drop off of me all the time, and my suffering was endless, and without relief. One thousand dollars would not tempt me to have this disease over again. I am a poor man, but feel rich to be relieved of what some of the doctors said was leprosy, some ring worm, psoriasis, etc. I took...and...Sarsaparilia over one year and a half, but no cure. I cannot praise the Unitoura Remedies too much. They have made my skin as clear and free as a baby's All I used of them was three boxes of Cutioura, and three bottless of Cuticura Resolvent, and two cakes of Cuticura Scop. If you had been here and said you would have had the money. I looked like the picture in your book of Psoriasis (picture number two, "How to Cure Skin Diseases,") but now I am as clear as any person ever was. Through force of habit I rub my hands over my arms and less to scratch once in a while, but to ropurpose. I am all well. I scratched twenty-eight years, and it got to be kind of second nature to me. I thank you a thou-and times. Anything more that you went to knew write me and I will answer it.
