PRAILBY'S BAST END PHARMACY,

HOOD'S SARSAPARILLA.

Catarrh in the Head

Is a complaint which affects nearly everyboly, more or iess. It originates in a cold, or succession of colds, combined with impure blood. Disagreeable flow from the nose, fishing in the thron, offensive breath, pain over and between the eyes, ringing and bursting noise in the ears are the more common symptome. Catarrin is cured by Hood's saramparilia, which strikes directly at its cause by removing all impurities from the blood, building up the diseased tissues and giving healthy tone to the whole system. Hundreds of testimonials prove beyond question that a positive cure for catarrh is found in

Hood's Sarsaparilla "For 3' years I have been troubled with catarr h in the head, indigestion, and general debility. I concluded to try a bottle of Head's
Sarasparille, and it did me so much good that
I continued its use till I have taken five botties. My health has greatly improved, and I
seel like a different woman." Mus. J. B.
Adams, S Richmond, street, Hewark, N. J. "I feel it my duty to say that I saw Hood's Sarsaparilla advertised and took two bottles. I am completely cured of irregularities and constipation of my bowels, catarrh and bron-chial affections." H. H. Dunear, Atlantic

As extarth originates in impurities in the blood, local applications can do but little good. The common sense method of treatment is to purify the blood, and for this purpos there is no prepuration superior to Heod's Sarasparilla.
