"The West is in the saddie,"
And the fact allays the lears
Of the loyal souls who dreaded
The Hebel Brigadiers:
The bloody shirt to some extent
Has lost its gory stains,
Since the wild horsemen of the West
Hantoniate the reins.

But have the truly loyal

No cause to be appalled,
To heer that bloody Chaimers
On Harrison has called?
Ingalis and wisdy Forsker
To their dismay may find
The wild and woolly West astride
With Robels on bohind.

A Baptist Minister's Experience.

"I am a Baptist minister, and before I ever thought of being a clergyman I graduated in medicine, but left a lucrative practice for my present profession, forty years ago. I was for many years a sufferer from quinsy. Thomas' Electric Oil cured me. I was also troubled with hoarseness, and Thomas' Electric Oil cured with hoarseness, and Thomas' Electric Oil cured them, and if taken in time it will cure seven times out of ten. I am confident it is a cure for the most obstinate cold, or cough, and if any one will take a small teaspoon and half ill it with the Oil, and then place the end of the spoon into the head, by sniffing as hard as they can, until the Oil falls over into the throat, and practice it twice a week, I don't care how offensive their head may be, it will clean it out and cure their caterrh. For deafness and earnach, it has done wonders to my certain knowledge. It is the only medicine dubbed patent medicine that I have ever felt like recommending, and I am very anxious to see it in every place, for I tell you that I would not be without it in my house for any consideration. I am now suffering with a pain like rheumatism in my right limb, and nothing relieves me like Thomas' Electric Oil." Dr. E. Crane, Corry, Fa.
